The finest dining, anywhere in the world

Menus designed by Michelin-starred chefs.
Dishes that celebrate the destinations our
ships sail to. When it comes to dining at sea,
we set the bar high.

You'll find everything from light bites to haute cuisine
on board. Menus that reflect where you are in the world.
And chefs willing to whip you up something special
(even when the rest of the ship is sleeping).
Choosing where to eat presents as many possibilities
as what to eat. Bountiful buffets. Poolside grills.
Afternoon Tea. Each day is a culinary adventure.

Build your own nourishing bowl at The Pavilion Wellness
Café, or choose from the finest fillets at the steakhouse.
On Queen Anne you could choose the Japanese omakase
menu at Aji Wa, a taste of India's spice trail at Aranya, or
perhaps Mediterranean-inspired dining at Tramonto.

At the Golden Lion, finessed pub favourites (including a
selection by Michelin-starred chef Michel Roux) deliver a
taste that pairs perfectly with our own Cunard ales.
Then there's the culinary artistry that awaits you in your
ship's main dining room, where à la carte meals unfold
in a symphony of style and flavour.

The Britannia experience

There's nothing quite like those first steps into your stateroom on a Cunard voyage. As you close the door and embrace the privacy and space of your on board home from home, you'll enjoy a sense of relaxation like no other. It's the moment your holiday truly begins, in this place where a soft bathrobe and plush mattress await you at the end of each day of adventure.

Your stateroom steward will turn down your room each night and refresh it each morning. There's also complimentary room service at breakfast, should you feel like a leisurely morning spent lounging in bed for as long as possible (well, you are on holiday after all).

Staying in a Britannia stateroom also allows you to dine in the Britannia Restaurant. With the flow of conversation and full waiter service, dining in this double-height space always feels like an event. Enjoy the freedom to keep things flexible with Open Dining or perhaps opt for a set time of Early or Late.

You could immerse yourself in the rhythm and perfect your tango in a dance class, or perhaps fencing sounds a little bit more 'you'?

Whether you want days filled with all kinds of exciting experiences, or you're looking to slow things down and do as little as possible, find what you're looking for on the decks of your Cunard Queen.

What will you learn at a Cunard Insights talk?

Why not step outside of your daily life and try something new? Embark on a journey of self-development.

Maybe you'll meet new friends playing games?

Darts. Pub quiz. Pickleball. There's a host of games waiting to be played on board, both out on deck and inside.

You could simply come along and have a go, or sign up for tournaments if you're feeling up to a challenge!

If you consider yourself a dab hand at the classics like shuffleboard and deck quoits, look for 'meet-ups' in your Daily Programme, designed to introduce you to like-minded new friends.

Will you discover a new talent at a masterclass?

You could make the most of opportunities to learn something new on board, with a collection of workshops and masterclasses to choose from. Find out how to blend flavours to make a fresh and fruity cocktail.

Or are you in need of a little 'me-time'?

Perhaps your idea of a holiday means never straying too far from the pool. Cocktail ordered. Book in hand. If this is your idea of bliss, why not take the opportunity? Or perhaps the salon and spa within Mareel Wellness & Beauty will draw you in. Whether you feel like indulging in a soothing deep tissue massage or you want to book in a beard trim and tidy, skilled therapists are ready and waiting.

Taking care of you

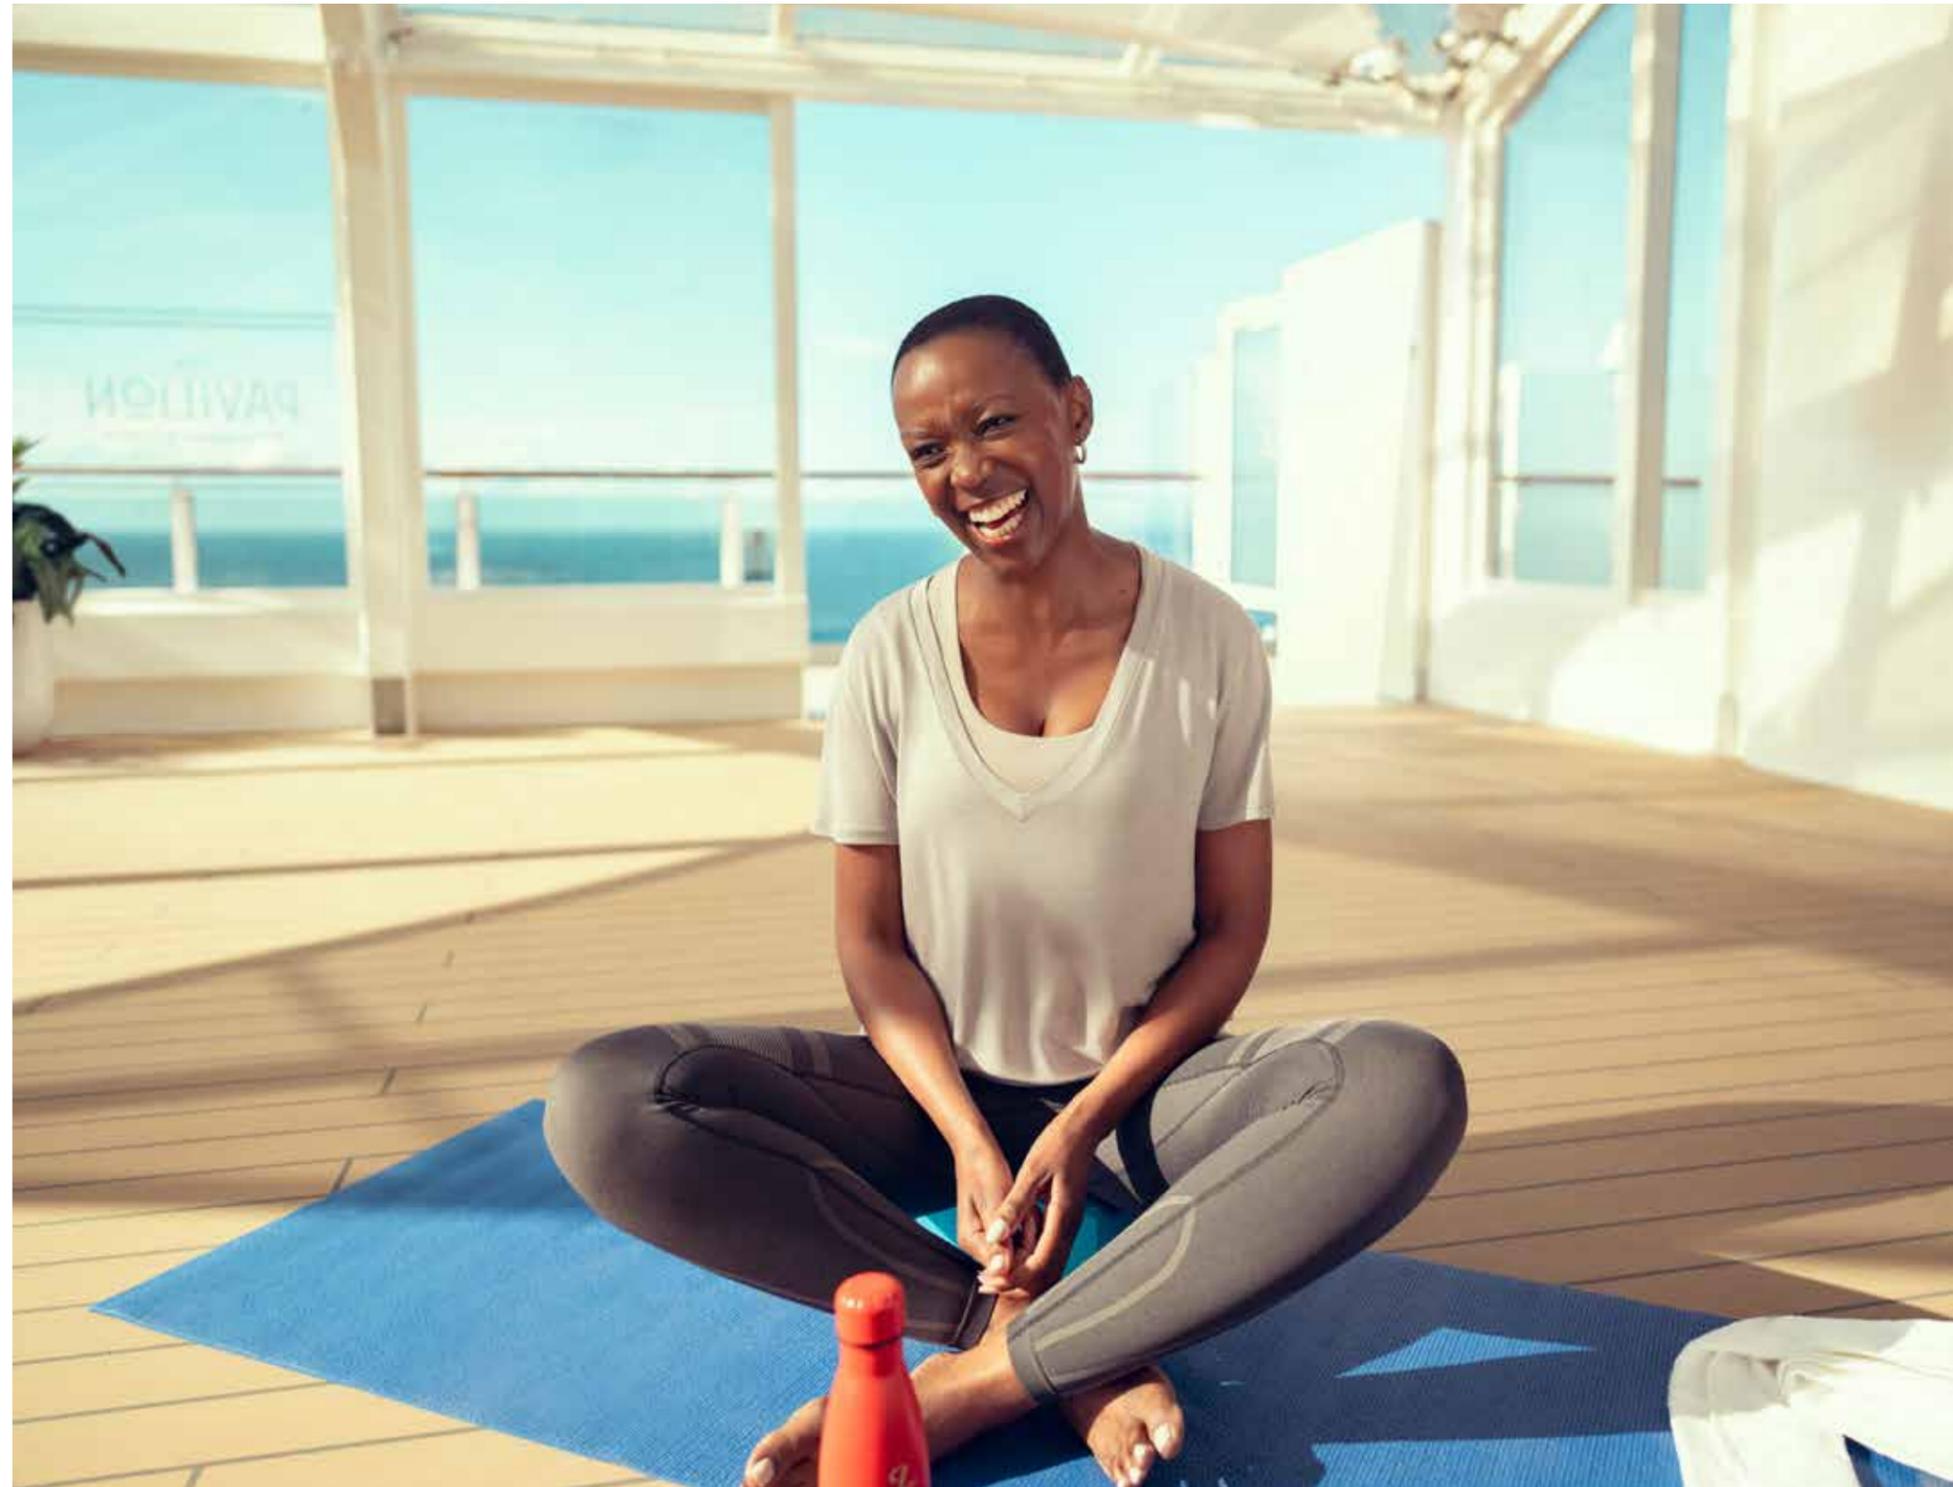

On a voyage with Cunard, find the time to put yourself first.

Stay active at a fitness class, from soothing yoga to blood-pumping spinning. Enjoy uninterrupted laps of walking or jogging on your own terms, on the promenade deck. You could book yourself a gym session with a personal trainer, and together find a new routine that works both on board and at home.

Meanwhile, a visit to Mareel Wellness & Beauty brings plenty to leave you feeling your best. Over 40 ocean-inspired treatments are designed to restore, revive, and heal, at the hands of London Wellness Academy-trained therapists.

You could even choose a three-day Wellness at Sea programme designed in collaboration with *Harper's Bazaar*.

Explore opportunities to learn at self-care seminars, covering everything from good posture to skincare routines. Make health-conscious choices when it's time to eat, without compromising on flavour. Perhaps simply make use of the pool, taking in some valuable vitamin D as you challenge yourself with lengths. It's easy to focus on exactly what you need, on a holiday with Cunard.

Sustainability at Cunard

Taking steps to look after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around five key focus areas.

People

Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history, and natural resources.

Well-being, inclusion and belonging

Our success relies on the diverse perspectives, talent, passion and dedication of our global employee base, both on board our ships and shoreside. We strive to be the employer of choice by fostering a culture of inclusion and belonging, and providing a work environment with opportunities for professional growth throughout each of their career paths. We are committed to expanding our well-being program to support their physical and mental health, encourage social connectivity with family and friends, and promote a balanced lifestyle.

Planet

Climate action

We support the adaptation of alternative fuels and are testing new low-carbon or zero-carbon emission technologies as they become available. We are also partnering with organisations and stakeholders to support our decarbonisation efforts and reduce overall consumption.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste, consume less and manage waste on board.

Biodiversity and conservation

Our efforts are focused on implementing best practices across our operations, investing in programs that support biodiversity conservation, working with our supply chain and partnering with the communities we visit to help maintain and improve their ecosystems.

Further information

At Cunard, and with our parent company Carnival Corporation & plc, we have established a number of 2030 sustainability goals and 2050 aspirations. For more information please visit: cunard.com and carnivalsustainability.com

Caribbean, by Cunard

From centuries-old rum distilleries to kaleidoscopic marine life, the islands of the Caribbean have so much to offer. And that's on top of the endless choice of sugar-sand beaches.

Explore the fusion of cultures in Puerto Rico's San Juan. Wander underground tunnels at Fort Matthew in St George's. Sample delicious local seafood served a stone's throw from the beach in Bridgetown. Then, in Cozumel, step into another world as you embrace ancient Maya culture, taking in ruins and sampling traditional recipes.

Get to know these magical islands in style, as you spend days out looking for secret coves and tranquil bays, and balmy evenings on board enjoying every minute of the Caribbean. Whether it's on deck with a cold cocktail, or simply gazing at the view from your own balcony - with room service on its way - which of the day's adventures will fill your thoughts?

Northern Europe and British Isles, by Cunard

Fascinating contrasts and pristine scenery are just two of the ingredients that make a voyage to Europe's northernmost nations magical.

In Norway, a place where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures. Or perhaps your sights are set on Iceland, where natural wonders like gushing waterfalls, geysers, and the turquoise waters of the Blue Lagoon await.

You could explore fairytale-like architecture in cities such as Copenhagen, Stockholm, and Tallinn with its UNESCO-inscribed old town – perhaps finding time for the odd pastry as you do. British Isles voyages take in the Highlands of Scotland and emerald shores of Ireland, as well as Cunard's spiritual home of Liverpool.

Discover these storied stretches of land and sea for yourself and, as you sail, revel in everything that comes with life on a Cunard Queen. From the cuisine of Michelin-starred chefs and White Star Service to a Mareel spa staffed with London Wellness Academy-trained experts, each day brings the potential for something extraordinary.

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Rich artistry in Spain. Bustling souks in Morocco. Pastel palaces in Portugal. Our Atlantic Coast voyages are a treat for all the senses.

Find yourself taking photo after photo as you discover unspoilt beaches, UNESCO-listed treasures, and world-famous cuisine. From the azure coves of Southern Europe to the medieval alleyways of North Africa, remarkable sights await.

Explore volcanic landscapes and black-sand beaches in the Canary Islands. Immerse yourself in UNESCO-listed architecture and port cellars in Portugal. Discover Madeira's botanical gardens and spend New Year's Eve witnessing the famous firework display.

Morocco brings minaret-topped buildings in Casablanca and whitewashed medinas in Tangier, while Agadir offers a gateway to Marrakech with its fragrant spice stalls and maze-like alleys. Just off the coast of Africa, the Cape Verde island of Saint Vincent seduces with its white-sand beaches and lively cafés, where music drifts out of every door.

Flamenco shows and smoky tapas. Grand mosques and stately squares. Soak up the history of this storied region, with plenty of on board relaxation and amber sunsets to bask in on deck.

Mediterranean, by Cunard

Lively tapas bars in Barcelona. Colourful bazaars in Istanbul. A Mediterranean voyage unlocks the door to so many memorable experiences.

Home to some of the world's oldest cities, the Mediterranean is a fascinating region to explore. A blend of cobbled paths and azure waters, where life moves at its own unhurried pace and humble ingredients steal the show of every dish. Join one of our Mediterranean sailings from Southampton or begin your voyage in Barcelona, Civitavecchia, Hamburg, Istanbul, Piraeus, or Trieste.

Salerno, just south of Naples, is the perfect place to savour a taste of 'La Dolce Vita'. Or perhaps you'd prefer Kotor, Montenegro's charmingly historic capital, where winding streets and Romanesque churches seem to fan out in every direction.

Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Valletta's Barrakka Gardens gives way to the noon canon firing in Malta. And Greece's magical islands never fail to enchant with their winding cliff-top walks and flower-adorned buildings.

Kotor, Montenegro

Short Breaks, by Cunard

A short voyage brings you a glimpse of the unique cities of Europe, all while enjoying a taste of our iconic ships.

From Zeebrugge, you could spend an afternoon exploring medieval Bruges, with its picture-perfect canals and tasty local chocolate. Or perhaps wander the museum-lined streets of vibrant Amsterdam and stroll past works by Rembrandt and Vermeer in the Rijksmuseum. In Rotterdam, marvel at bold post-modern architecture and shop for one-of-a-kind fashions in chic boutiques. Uncover centuries of seafaring history in Kiel, home to a fascinating maritime museum, and explore the neo-renaissance architecture of Hamburg's eye-catching Rathaus, before admiring seven centuries of art in the Kunsthalle museum.

Make your time on board your own, enjoying whatever it is you like to do on holiday. Maybe that's simply spending time with your nearest and dearest, perhaps getting reacquainted over a spirited game of cards? Or is it booking in for an ocean-inspired treatment at the spa? Topped off with our White Star Service, a short break with Cunard is set to be a getaway to remember.

Cruise Connections

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose how you want to travel. It couldn't be easier to connect with your cruise.

Coach transfers

Our coach services link UK regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They also make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your voyage is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book, please visit intercruises.com/cruiseconnect, call Intercruises on 0344 338 8690, or email cruiseconnect@intercruises.com and quote your booking reference number.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point, where you can unload your luggage before a parking representative takes your vehicle to a secure car park. After disembarking, your car will be located in the car park next to the terminal for collection.

Car park bookings can be made 72 hours after your voyage is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book please visit cruisebooking.co.uk or call Cruise & Passenger Services Ltd direct on 0345 071 3939 and quote your voyage booking reference number.

Whether you're sailing on one of our short cruises in Europe, you'll be joining an iconic Transatlantic Crossing, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You could choose to see more of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or if you've booked directly with Cunard please call us on 03453 550 300^.

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your voyage.

Whether you choose to book a hotel stay through us, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or before the balance due date for your holiday, at the latest.

Please note that should you decide to explore a destination independently before/after your flight - and we have provided your flights - you will need to make your own way to or from the ship on the day of embarkation/disembarkation.

World Voyages and Sectors

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300^.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation. In this case, hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a land tour or hotel stay through us, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your voyage.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your voyage finishes in Auckland, why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Vancouver before joining your ship in Seattle.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or, if you've booked directly with us please call us on 03453 550 300^.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

See 'Our fares' on page 43 for an indication of benefits.

Fare types

Fares for all available voyages and suites/staterooms can be found on our website or via your travel agent. Fares are subject to increases or decreases at any time.

Our Early Saver fare is available on selected voyages and stateroom grades only. Early Saver fares combine a lower fare with some benefits. A low 15% deposit is required to book, with the balance conveniently payable online 90 days before you sail. Britannia guests can choose their preferred dining time, which will be confirmed on board, subject to availability.

Our Late Saver fare is the lowest possible fare. Guests are guaranteed superb savings in return for paying in full on booking and taking a pre-allocated stateroom. Cancelled bookings are subject to a 100% cancellation fee, and bookings cannot be amended without this fee being applied.

Our Cunard Fare includes the following benefits:

- ◆ Available on all voyages regardless of when you book.
- ◆ Choice of stateroom number (subject to availability).
- ◆ First priority for your choice of Early, Late, or Open Dining (in the Britannia Restaurant) and table size.
- ◆ 15% deposit.
- ◆ Flexibility to change your booking (subject to our booking conditions).
- ◆ Complimentary shuttle buses to and from your ship, from and to the nearest transport hub (where applicable and provided by Cunard).
- ◆ Plus a choice of one of the following benefits:

On board spending money

Available on voyages of seven nights or more. On board spending money varies by voyage duration and is based on the number of nights spent on board. It can be used on board for the purchase of drinks, Shore Experiences, spa treatments, or in the on board shops. It is not transferable and cannot be redeemed for cash, used for medical charges, on board gaming (including in the casino), to make charity donations, to pay for international visas, or a future voyage. Flights do not qualify for on board spending money.

Car parking at Southampton

Car parking in a secure car park (one space per booking) is available on all Southampton roundtrip voyages of seven nights or more (with the exception of World Voyages and South America Discovery Voyages). Please let us know at the time of booking if you wish to use this service and then contact Cruise & Passenger Services Ltd (the operator) direct on 0345 071 3939 or visit cruiseparking.co.uk to arrange your car parking, two days after booking, and **at least 35 days in advance of your departure**.

Return coach transfers

Return coach transfers are available on all Southampton roundtrip voyages of seven nights or more (with the exception of World Voyages and South America Discovery Voyages). Please let us know at the time of booking if you wish to use this service and then contact Intercruises (the operator) on 0344 338 8690 (calls cost 3.19p per minute plus your telephone company's network access charge) **no later than 35 days prior to departure**.

Coach transfers are available to all guests on the booking. For more information see page 144.

Third and fourth guests

Some staterooms have accommodation for a third or fourth person. Please visit cunard.com, call 03453 550 300*, or contact your travel agent for these fares. You can refer to deck plans shown on pages:

Queen Mary 2** – 151–153
Queen Victoria** – 154–156
Queen Elizabeth** – 157–159
Queen Anne** – 160–162

**Although certain Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the space available in the restaurants. Please call for availability.

Children

Cunard cannot accept any child under the age of six months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Transatlantic Crossing, or other remote itineraries.

Children pay the applicable adult per person fare when travelling as a first or second guest.

Infants aged between six months and two years, accommodated as a third or fourth

guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of six months and two years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.

Guests aged two to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.

Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 18 or over.

Single guests

Single staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement which typically ranges from 175% to 200% of the per person fare, depending upon availability and/or stateroom grade. Please note that 'sole occupancy' is limited and subject to availability – and the percentage of the sole occupancy supplement may change without prior notification.

Stateroom changes

Occasionally, it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at our discretion. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is to avoid further complications in the event of cancellations.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate your stateroom number, you will be given a stateroom of the type you have booked, or in some instances, of a higher grade. However the stateroom may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services

A 15% service charge is automatically added to your on board account for each beverage purchase made in our bars or restaurants, which is shared amongst the relevant crew. Naturally, you are free to reward any member of the crew over and above this amount, at your discretion.

Spa and salon services

A 15% service charge will be added to your account for any treatment(s) you enjoy. Should you wish to adjust the amount, please make this request during checkout.

Travel information

Essential information

Please visit cunard.com/essential-information for the most up to date information, including vaccinations and visas.

Please note there are mandatory vaccination requirements in place for certain itineraries on sale within this brochure. Failure to comply with these vaccination requirements could result in you being denied boarding.

For current travel advice for the countries you are visiting, please refer to the Foreign & Commonwealth Development Office website: www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British passports only and is correct at the time of print.

Anyone who does not hold a British citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Medications

Should you require regular medication, please ensure you travel with a sufficient amount to last the duration of your voyage, as well as a contingency supply in case of any delay to your travel.

We do not permit guests to carry any items on board that may contain CBD or other cannabis products.

Passports

If you are a British citizen, a full passport is required for all voyages. All British passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have ample blank pages in your passport for entry and exit stamps. All British citizens over the age of 16 require a full 10-year British passport for all voyages. Children need their own passports. It is important that names and initials on the passport exactly match those on your boarding passes.

For voyages including EU (or Schengen area) ports your passport must be:

- ◆ Issued less than 10 years from the voyage embarkation date. If we have arranged flights for you as part of your booking, the voyage embarkation date means the date of departure of your outgoing flight.

- ◆ Valid for at least three months, by the voyage disembarkation date, (regardless of whether or not the passport has an extension period).

For up-to-date passport information please visit cunard.com/passports.

Please note that British Visitor Passports are no longer valid. British subject passport holder requirements may differ - please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports.

For further information, please contact the HM Passport Office on 0300 2220 000, or visit the website: www.gov.uk/government/organisations/hm-passport-office.

If you **do not hold a British citizen passport**, your passport, travel documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

Please note that it is your responsibility to ensure you have a valid passport and the appropriate visas for your journey.

Required hotel stays

We can arrange flights and transfers for you to join your ship when you purchase a Holiday Package Add On. Where the included flight timings necessitate a pre-/post-voyage overnight stay, we will include a hotel room at the international port of embarkation/disembarkation for the night before or after your voyage, as required.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the voyage Booking Conditions, which you can view at cunard.com/booking-conditions. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before

or after a long flight. If you wish to have time to explore your city of embarkation/disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements

If you have booked a flight through us, this will be in economy class from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by voyage and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 145.

Baggage allowance

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airline baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- ◆ Flights will not necessarily be direct. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but we will inform you of any changes.
- ◆ Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- ◆ When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- ◆ Where applicable, we will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. For Québec, Québec or Montreal may be used.
- ◆ Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our on board needs questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- ◆ In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry a powered mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- ◆ When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.
- ◆ Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- ◆ For long-haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- ◆ Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- ◆ To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- ◆ If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket. You will need to make your own transfer arrangements between the airport and the ship.
- ◆ Regional flights will not necessarily be direct.
- ◆ If a same-day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- ◆ Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- ◆ If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- ◆ Transfers between London airports are not included.

Transatlantic Crossings

- ◆ One-way Transatlantic Crossing voyages do not include flights, however we can book these at an additional cost. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- ◆ We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- ◆ If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures – please note:

- ◆ The regional flight supplement is in addition to any Cunard Fare.
- ◆ Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.

Carriage of dogs

Cunard can accommodate assistance dogs and service dogs (as defined by the Animal and Plant Health Agency) on all our ships on Southampton to Southampton voyages, as well as New York to Southampton voyages on Queen Mary 2. Please ensure you contact us prior to booking to ensure your chosen voyage is suitable. Assistance dogs and service dogs are accommodated in staterooms with their owners.

Non-assistance dogs and non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. Visit cunard.com/kennels for more information on these facilities.

For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the following websites www.cdc.gov/importation/bringing-an-animal-into-the-us/index.html and www.gov.uk/bring-pet-to-great-britain for further details.

Frequently asked questions

Before you sail

Ask Cunard

If you're unable to find what you're looking for within these pages visit: cunard.com/en-gb/frequently-asked-questions for a wealth of information.

What's included in my fare?

See page 42 for details.

Do I need a passport, a visa, or vaccinations?

All guests must have a valid passport. During your voyage it is your responsibility to meet all the entry requirements for that country at the time of sailing. Please check the government website of the country/countries you are travelling to and ensure you are aware of the most up-to-date country visa and vaccination information, as you will be denied boarding if you fail to meet requirements.

Do I need to take out travel insurance?

Yes. Our booking conditions stipulate that you must obtain travel insurance. This must cover all pre-existing medical conditions to cover the risk of you needing medical care on board or in a foreign country. We have a relationship with Holiday Extras who can offer comprehensive travel insurance covering our requirements. You'll find further details on page 180, and at cunard.com/insurance and you can obtain a quote and full terms and conditions from holidayextras.com/cunard or by calling 0333 038 9766.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. You might want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends.

For 2026, our dance hosts will be available on Queen Anne and Queen Mary 2's World Voyages.

Is there a dress code on board?

During the day

Relaxed dress is welcomed in all areas around the ship during the day. All we ask is that swim and gym wear is reserved for the poolside, spa, Fitness Centre, and Sports Deck.

In the evening

We ask that you wear smart attire in most bars and restaurants during the evenings. Think smart collared shirts, evening tops, trousers, skirts, and dresses – jackets are optional. Please avoid things like shorts and non-collared shirts. There are plenty of venues that will welcome casual dress, should you prefer this.

Gala Evenings

Our well-loved Gala Evenings bring an opportunity to dress in your favourite, fine evening wear. We invite you to embrace the occasion – think ball gowns and cocktail dresses, suits and tuxedos. Please note that ties or bow ties should be worn with the latter.

You'll find more information about our dress codes here: <https://www.cunard.com/en-gb/the-cunard-experience/what-to-pack> if you need it.

How many Gala Evenings will be on my voyage?

As a guide, there is a Gala Evening at least once on every voyage of three nights or more, and two Gala Evenings per week on voyages of seven nights or more. Details of daily dress codes, Gala Evenings, and themes can be found on My Cunard at cunard.com in the calendar view of your voyage. The Gala Evening dress code will also be specified in your ship's Daily Programme the prior evening.

For wardrobe inspiration please visit: cunard.com/en-gb/the-cunard-experience/what-to-pack.

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 150, 151–153
Queen Victoria – pages 150, 154–156
Queen Elizabeth – pages 150, 157–159
Queen Anne – pages 150, 160–162

When choosing your accommodation, you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides optimal views.

What is a hotel and dining service charge?

During your voyage, you will meet many members of our team who will provide excellent service all over the ship. To ensure crew working within the restaurant and housekeeping teams are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account. Every dollar collected will be shared among crew members who help provide and support your voyage experience, including the restaurant and buffet team, your stateroom steward, and accommodation personnel. For the latest information regarding service charges, visit cunard.com/service-charges.

Of course, should you wish to individually reward any crew member who has made your time on board particularly memorable, please feel free to do so.

A 15% service charge applies to all beverage and spa services on board. Casino tips can be given directly to the individual at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience, all of our ships operate a cash-free environment.

To make any purchases on board you simply need to present your Voyage Card. Our ships do not accept cash, except at the Purser's Office for the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship.

All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

Will I be charged VAT or similar sales taxes on EU voyages?

Passengers are advised that during intra-EU voyages (voyages that begin and end in the EU and only call at EU ports), government regulations prohibit the sale of tax and duty-free items. This means that liqueur and tobacco will not be available to purchase (other than in quantities for on board consumption) and VAT will be added to goods purchased in the shops and boutiques at the appropriate EU rate. Prices displayed in the retail outlets are exclusive of any VAT or similar tax.

For example: If you are on a roundtrip Maltese cruise that only visits Croatia, Greece and Italy or a roundtrip Italian voyage that only calls in France and Spain, duty/VAT free shopping will not be available. If your voyage includes a non-EU country (such as Turkey or Montenegro) then duty/VAT free shopping will be available.

Will I be charged VAT on a UK domestic voyages?

Passengers are advised that during domestic UK voyages (voyages that begin and end in the UK and only call at UK ports including Northern Ireland), government regulations prohibit the sale of tax and duty-free items. This means that liqueur and tobacco will not be available to purchase (other than in quantities for on board consumption) and VAT will be added to goods purchased in the shops and

boutiques at the appropriate UK rate. Prices displayed in the retail outlets are exclusive of any VAT or similar tax.

For example: If you are on a roundtrip UK cruise that only visits ports in England, Scotland, and Northern Ireland duty/VAT free shopping will not be available. If your voyage includes a call in a non-UK country (such as France or the Republic of Ireland e.g. Cobh) then duty/VAT-free shopping will be available.

Spanish IVA (VAT) on bar and dining charges

During international voyages (i.e. voyages that include visits to non-EU countries) but also visit Spanish ports, regulations require that Spanish IVA (VAT) at a rate of 10% is payable on all bar charges, select dining/cover charges and room service charges. This applies only while our ships are in Spanish territorial waters (i.e. when we are entering and exiting Spanish ports as well as the time we are alongside). Prices displayed in our bars, restaurants, and room service menus are exclusive of this tax and therefore an additional 10% will be added during these times. If a receipt is provided, the Spanish IVA (VAT) element will be itemised separately.

VAT in retail, photo gallery, and spa

On voyages in the UK and/or EU only, tax regulations require VAT to be paid. VAT will be payable on the following items: purchases in the on board Retail Outlets, Photo Gallery, and spa/salon. It does not apply, however, to treatments and services in the spa/salon. During the periods where VAT is chargeable, you will be unable to purchase liquor and tobacco products to take home.

Prices displayed on board are exclusive of VAT and therefore the VAT element will be added to the advertised prices, where applicable, upon purchase. The VAT element will be itemised separately on your receipt.

On voyages where Maltese, Italian, German, Spanish, or UK VAT are due, confirmation can be found in the ship's Daily Programme and other media channels.

How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard, or before boarding the ship in the terminal. All credit card details are encrypted.

How can I avoid issues with my credit card?

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

When you register a credit or debit card to cover your on board spending, an amount up to US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured amount.

On occasions, we will settle higher value accounts and purchases owed ahead of the end of the cruise.

Some authorisations can remain on your card account for up to 28 days. This is more likely to happen if you register a different card during your voyage. You may, therefore, want to contact your card provider on your return to release these authorisations.

When will I receive my boarding pass and itinerary information?

Approximately 35 days prior to your departure date, your electronic documentation will be available through My Cunard at cunard.com/en-gb/my-cunard. This includes information relating to any hotel stays or land tours booked.

How will I know which Shore Experiences are available?

Booking online

Shore Experiences will be available to book on My Cunard, and will require payment in full at the time of booking. This method of booking gives you the best chance at getting your first choice before spaces run out. Please note that Shore Experiences can only be booked online 24 hours after your voyage booking is made, and up until three days prior to departure. Log in to My Cunard to explore the latest availability.

Booking on board

You may also book Shore Experiences on board. These will be charged to your on board account, to be settled at the end of your voyage.

The cancellation deadline is 48 hours prior to each port.

Shore Experiences, once booked, are subject to a 10% cancellation fee if you cancel prior to the deadline.

If you cancel your Shore Experience within 48 hours of arrival in port, you are subject to a 100% cancellation fee.

What if I feel seasick?

Seasickness tablets and injections are available in the Medical Centre (charges apply) or you can purchase over-the-counter remedies in the on board shops.

Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

Is there a spa and salon on board?

All our ships feature Mareel Wellness & Beauty. Offering over 40 ocean-inspired treatments, indulge mind, body, and soul in this tranquil spa. For more details of the services available on board.

For details of the spa services available on board please visit My Cunard at cunard.com/en-gb/my-cunard.

Can I travel when pregnant?

Pregnant guests can travel with us, however, **we cannot accept guests who will be more than 23 weeks pregnant (i.e. 23 weeks + 1 day or more) at any time during the voyage.** For more information please see cunard.com/booking-conditions or call 03453 550 300*.

Accessibility

In order to help us facilitate your needs, including any health conditions or disabilities, we ask that you inform us of these at the time of booking your voyage.

When booking your voyage you must inform us of any mobility or accessibility requirements. You must also advise us of any emergency assistance requirements in the unlikely event of an emergency.

An evacuation chair is needed if guests would be unable to use the stairs due to mobility or other circumstances. For anyone bringing a wheelchair or powered mobility device, this is a mandatory requirement.

One-to-one assistance is a mandatory requirement if any guest would require someone to guide and steady them on the stairs in the event of an emergency, due to mobility or other circumstances. To follow safety regulations crew will still need to be allocated to support guests even if their travelling companion could do this. For guests who are blind, experience heightened anxiety, or have a non-visible disability, must have, as a minimum, one-to-one assistance in the unlikely event of an emergency. For anyone bringing a mobility aid, like a walking stick or walker, this is recommended only.

This is still the case even if a carer or companion will be supporting you during your time on board. Failure to notify us of these requirements may result in you being denied boarding at your own expense at the cruise terminal.

Mobility equipment

Any guest who is a full-time wheelchair or powered mobility device user, or requires the use of their device inside their stateroom, must be booked into an accessible stateroom that provides the space and features required to suit the guests' needs. If you tell us (on your On Board Needs Questionnaire) that you will be bringing mobility equipment and the stateroom you have chosen is not a fully accessible stateroom or selected suite, there may be insufficient room to manoeuvre your mobility aid. Therefore, we may need to contact you to discuss other stateroom options.

Non-accessible staterooms are suitable for part-time manual wheelchair users who do not need their wheelchair to move around the room. Please note access to the en suite is via a raised threshold and a step is required to enter the bath/shower. We are unable to accept powered mobility devices in these staterooms, with the exception of selected suites. We do not provide wheelchair rental services on board. Each guest who requires a wheelchair is responsible for making their own arrangements prior to the voyage.

Please visit My Cunard for more information and, if necessary, to complete the questionnaire or provide a new one if your situation has changed.

For up-to-date information regarding accessibility and mobility needs, please visit our website.

Booking assistance – Why do I need to complete an On Board Needs questionnaire for every voyage?

We require a questionnaire to be completed for each voyage you travel on to ensure that we have the most accurate and up-to-date information. After you have booked your voyage you can access the On Board Needs Questionnaire via the accessibility section on My Cunard. **The On Board Needs Questionnaire must be completed as soon as possible after booking and no later than 14 days prior to departure.**

How can I book assistance to embark and disembark the ship in Southampton?

All our Southampton cruise terminals are fully accessible for powered mobility device and wheelchair guests. Where possible, they feature lifts, a dedicated check-in, accessible toilet facilities, and high-level linked walkways. Wheelchair or arm assistance is provided during embarkation and disembarkation for guests with disabilities or guests with reduced mobility that have pre-booked this via the completion of an On Board Needs Questionnaire.

We request that you let us know as soon as possible, and at least two weeks prior to embarkation, should you require assistance. Please note, assistance will start once you enter the accessibility check-in desk inside the terminal. We cannot provide assistance from cars or other vehicles. Please ensure that your hand luggage is kept to a minimum and can be managed between the wheelchair user and their companion.

There are no restrictions when taking medication and sharps in hand luggage at check-in at Southampton.

Requesting wheelchair assistance

We request that you let us know in advance if you require assistance by completing an On Board Needs Questionnaire. Guests will be asked to wait in turn for assistance to embark and disembark the ship. Given the number of requests made for assistance your allotted time may differ. Wheelchair assistance is only available in Southampton.

If you are requesting assistance to embark the ship then you will also be required to book assistance in the event of an emergency.

On Board Needs Questionnaires are available to complete on My Cunard after booking. If you require a hard copy you can request this via our Customer Contact Centre (local call charges apply), or your travel agent.

Powered mobility device policy – Is your policy compliant with all applicable legislation?

Yes - our policies and procedures comply with all applicable ship safety and disability/equality legislation, including the EU Passenger Rights Regulation. We aim to offer our services to all disabled persons or persons with reduced mobility subject to applicable safety requirements and within the parameters of each ship design, port infrastructure, and equipment. Powered mobility devices are only accepted in accessible staterooms and selected suites.

Adapted staterooms – Can an able-bodied guest book an accessible stateroom?

Accessible staterooms can only be booked by guests who have a requirement for the adapted facilities. For example, this may be a need for a walk in shower and grab rails in the bathroom, or larger floor space to manoeuvre a wheelchair or safely store a powered mobility device.

If accessible staterooms are available within 21 days of a departure, they can be offered for general sale and available for all guests to book.

Can I book an adapted stateroom if I have a disability that does not require the use of a wheelchair or powered mobility device?

Any guest who has a requirement for the facilities is welcome to book an accessible stateroom. Examples of this could be a wet room with no steps, or a larger floor space to store a powered mobility device or manoeuvre in a wheelchair.

Guests who do not require the use of the facilities should not book an accessible stateroom.

If a guest books an accessible stateroom without a need for any of the adapted facilities, we reserve the right to request that the guest moves. This may be at additional cost if moved to a stateroom in a higher category.

Do you cater for children with disabilities in the children's clubs?

We encourage all children to use our children's facilities, but we are unable to provide one-on-one support or care. If the child requires such assistance, a parent or carer will need to be present with them at all times.

If your child has a disability and would like to take part in our activity programme, please ensure you provide a full account of your child's needs when registering your child. Speak with our Youth Team to arrange a chat with our Youth Manager when on board. We can then do our best to make sure they have a fun and safe holiday.

Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. Staff will be able to provide wheelchair or arm assistance from the top to the bottom of the gangway, only where safe to do so. Guests must make their own way to/from the terminal/shuttle bus/tour buses etc. Please note if your Shore Experiences are operated by minibus, there will be no storage space for powered mobility devices or wheelchairs. We are unable to offer wheelchair access to go ashore in tender ports. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle,

Lisbon, Zeebrugge, Málaga, Cádiz, Funchal, Rotterdam, Hamburg, Boston, Halifax, Portland, Québec, and San Francisco. This policy is in the interest of guest safety.

Planning and availability

Our Shore Experience descriptions set out to offer practical advice based upon our operating practice. You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements.

We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in some ports of call, it may not be possible for us to offer a Shore Experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to use the steps of the coach independently*. Taxis are usually available for hire close to the ship's berth, should guests wish to travel independently.

For further information, please contact our specialist accessibility team on 03453 550 300* (Monday-Friday 9.00am-5.00pm) or by email at GRSpecialistSupport@carnivalukgroup.com.

*This does not apply to lift coaches for full-time wheelchair users.

Can I change my holiday after booking?

Please refer to our Booking Conditions at cunard.com/booking-conditions.

Joining and leaving your ship

Can I check-in online?

In certain embarkation ports guests will be invited by email to check-in online before travelling to join the ship. We recommend checking in online to enable a more efficient boarding.

How do I join my voyage?

You can make your own way to the port or airport. Alternatively, why not take advantage of our Cruise Connections, with its comprehensive range of air and chauffeur services? To find out more, see pages 144-145.

How much luggage can I bring?

On voyages sailing and returning to Southampton, you can bring as many bags as you can comfortably fit into your stateroom or suite. Please attach a Cunard issued luggage label to each item of luggage, as they are essential for quick delivery to your stateroom. Please bear in mind that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If each individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

For voyages including flights please refer to page 166.

Can you suggest a hotel I can use the night before or after my voyage?

Please visit cunard.com/en-gb/the-cunard-experience/cruise-and-stay/hotels.

If sailing from Southampton, what time do I have to check in?

We operate a staggered arrival schedule, and your arrival time can be found on your online check-in boarding pass. Please do not arrive at the cruise terminal before this time, and be aware that if you choose to do so, you will be asked to wait.

What happens to my luggage in Southampton?

When you arrive at the cruise terminal, our porters will be happy to assist where available, although, priority will be given to those with limited mobility. We encourage you to drop luggage directly at the security pods for screening. They will then be delivered directly to your stateroom for your convenience.

What time does the ship depart from Southampton?

The ship will generally leave Southampton in the late afternoon. This may change depending on how many ships are in Southampton on the same day and for other operational reasons. You should adhere to the final boarding time indicated on your boarding pass.

What time does the ship arrive in Southampton?

The ship will generally arrive into Southampton at around 6.30am. Guest disembarkation usually takes place between 7.00am and 10.00am, subject to operational approval.

Where does the ship depart from in New York?

We use both Brooklyn and Manhattan Cruise Terminals, so please ensure that you check your documents for confirmation of which cruise terminal you will be departing from. Guests arriving by private car should be dropped off with luggage at the cruise terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

Can I send my luggage in advance?

Yes, you can in a selection of popular ports around the world*. Cunard's White Star Luggage Service is the perfect alternative to transporting your own luggage and a great option for those who plan to extend travels pre or post voyage.

Please search White Star Luggage Service at cunard.com or phone our team on 033 0808 1294*.

*Not available in all ports of call.

What about flight details?

What happens to my luggage at the end of the voyage?

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom, from where it will be removed by porters. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, before you go through customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. Guests with cars may first retrieve their car and then pick-up luggage and fellow travellers. If you have purchased a Cunard ship-to-airport transfer or hotel stay, you will be directed by uniformed Cunard representatives to the transfer departure point.

If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship, in order to clear immigration and customs formalities. Disembarkation generally takes place between 7.00am and 10.00am.

What is the smoking policy on board?

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public and private spaces on board (with the exception of your ship's designated smoking area) are non-smoking. This includes pool areas, restaurants, and outdoor dining venues, as well as in staterooms and on balconies. Only cigar and pipe smokers are permitted to smoke in Churchill's Cigar Lounge.

Electronic cigarettes and vape devices, including those that do not emit smoke, are only permitted in your ship's designated smoking area. You can find the smoking area's location in the ship board services folder in your stateroom and it's clearly signposted on deck. Some countries have strict rules around the use of electronic cigarettes, please visit the Foreign Office website for information.

Do you use security cameras on board?

What happens if I am unwell?

Each ship has a Medical Centre on board, supported by fully qualified doctors.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as the United States can be substantial. This is one of the reasons we insist upon all guests having valid insurance to cover such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, we would contact your insurers to activate their medical assistance company to support you. The local port agent would also be notified to provide immediate assistance and a member of our shoreside team would stay in contact with you and provide support if required. Please note, however, that all medical services on board are charged for, and are payable on board. Such costs should be covered by your travel insurance, and that it is a condition of the contract that you have travel insurance to cover you for medical costs you may incur.

How do I settle my final bill on board?

If you have a credit card registered, all you need to do is to check your final statement on the morning of disembarkation. If you are happy with your account you need take no further action. The final amount will be settled to your registered credit card.

If you choose to settle your account with cash and you have a credit card registered, you should call at the Purser's Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser's Office to collect this cash credit.

For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each voyage. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit or debit card should still be registered. If using cash, the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited on your account. This will vary by voyage length. Please note that you will not be permitted to deposit cash as payment for

any goods totalling us\$9,000 or more, and these transactions must be settled using your registered card.

Please note that, as part of the fight against terrorism, international crime, and money laundering, EU regulations require all guests entering or leaving the European Union with €10,000 or more in cash (or its equivalent in other currencies or easily convertible assets – e.g. bonds, shares, traveller's cheques, etc.) to declare the sum to the customs authorities of the Member State which he/she is entering or leaving. If you are likely to need to make a declaration under this regulation, please contact the HM Revenue & Customs National Advice Service on 0845 010 9000 or visit www.hmrc.gov.uk for further information on how to comply.

We regret that we are unable to refund the cost of experiences that are cancelled by guests after the cancellation deadline. If you do wish to cancel your Shore Experience after the cancellation deadline, we will credit the original credit /debit card with the full amount paid, however a 100% cancellation fee will be posted to your on board account. Your Shore Experiences team

With a dedicated team on board, you can book or discuss Shore Experiences throughout your voyage. Knowledgeable and experienced, the team can make recommendations, answer questions, and take care of all the details for you.

Local expert guides

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA} on the itinerary. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely.

If you use a wheelchair or a powered mobility device, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/powered mobility device and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/powered mobility device. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or powered mobility device weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown in brackets, i.e. Civitavecchia (tours to Rome), Italy.

We provide a shuttle bus service between the port and the city centre. This service is complimentary for guests booked on the Cunard Fare. For guests booked on the Cunard Saver fare a small fee applies. Where port regulations require the use of a shuttle bus, it will be provided complimentary for all guests.

Guests who wish to go ashore independently will usually find local public transport connections and private taxis close to the port.

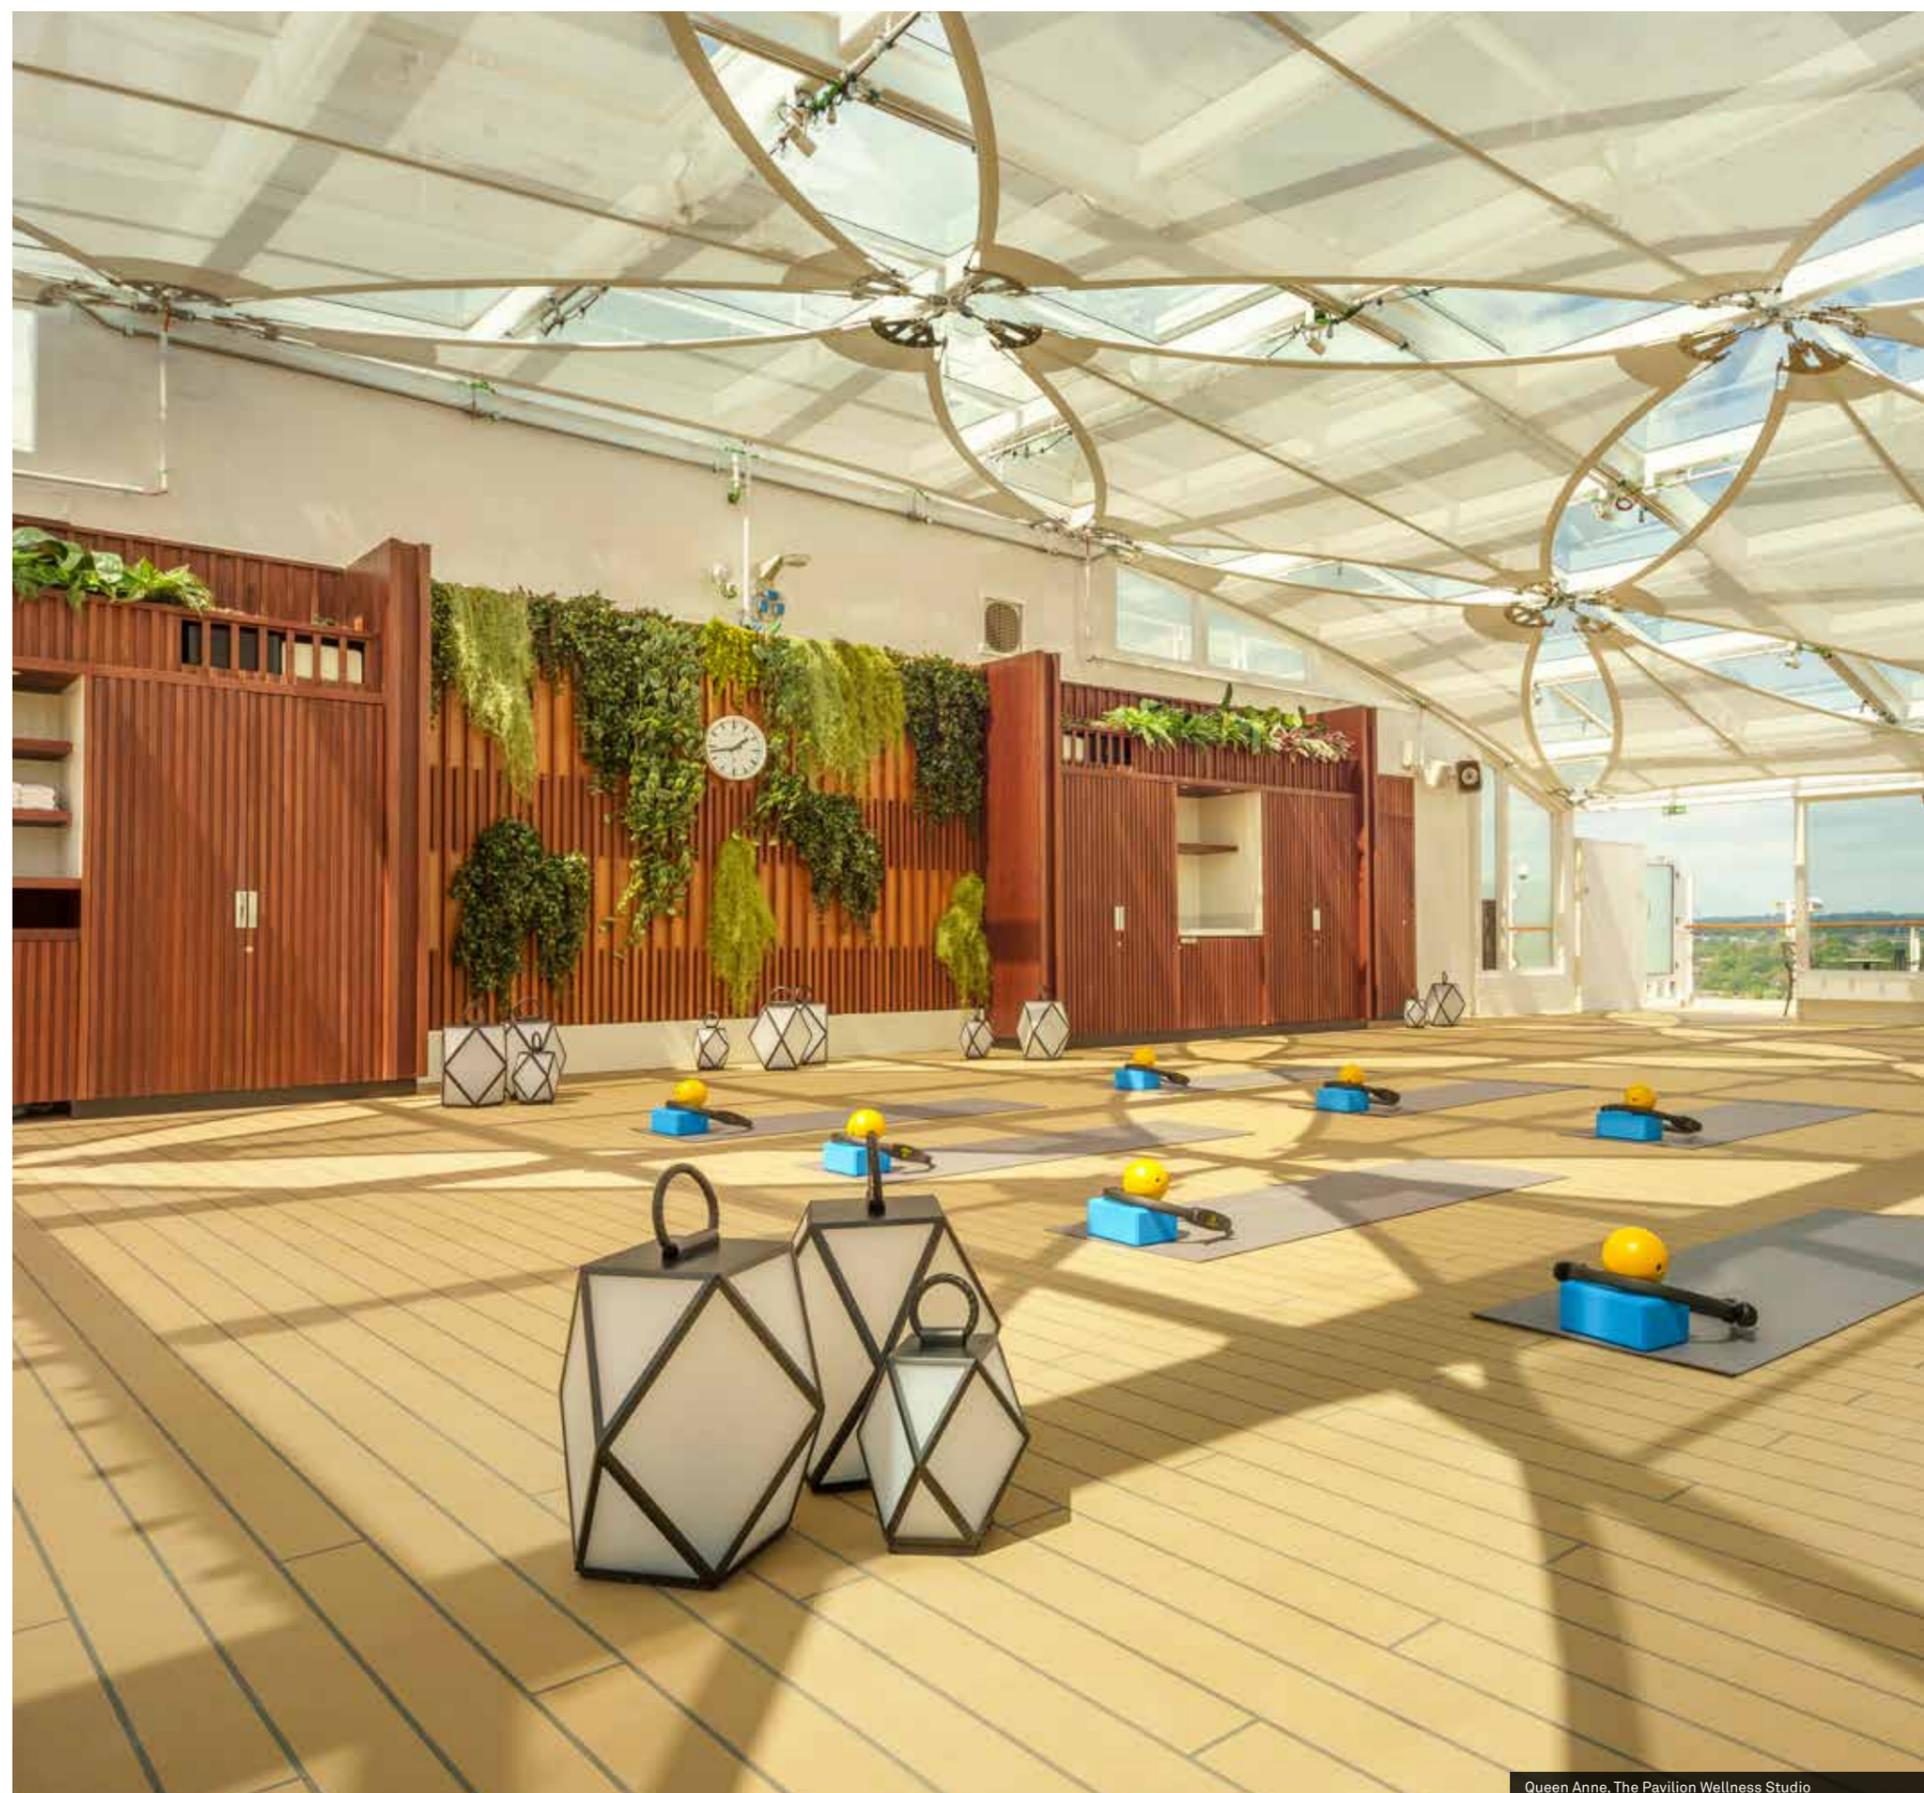

What does scenic cruising and sail by mean?

A scenic cruise is when your ship sails through areas of outstanding natural beauty – think Norway's fjords or Alaska's Inside Passage.

A sail by is when your ship sails closer to shore to allow you to see a featured landmark from deck – such as Cape Horn or Easter Island.
