Union Hand-Roasted Cunard Blend

Life is all about great collaborations. Like the collaboration between Cunard and Union Coffee. Experts in their field, they source high quality, speciality Arabica coffee through Union Direct Trade – working closely with smallholder farmers across 14 countries to improve both coffee quality and livelihoods for the long term.

Creating, tasting, refining and collaborating with their specialists and drawing on their expertise, together we've developed the Cunard Blend - a rich, indulgent coffee with notes of dark chocolate, roasted walnut, and shortbread biscuit.
