Welcome to The Golden Lion

As a British institution, the ‘public house’ has always played a pivotal role on board Cunard vessels as a place to relax and unwind. From emigrants crossing the oceans in search of a new life, to the glamorous and famous travelling in style, all have found a warm welcome in the pub.

The striking design of this menu has been inspired by the 25th anniversary of The Golden Lion pub on our ships. The frontispiece dates from the 1938 launch programme of Queen Elizabeth, whose roaring lion serves as our muse for The Golden Lion pub of today.

Cunard and award winning micro-brewery, Dark Revolution, have teamed up to create a bespoke and exclusive range of craft beers full of personality.

Working together with the expert head brewer at the Wiltshire based brewery in the South of England, we have developed a signature ‘Black’ Stout, a ‘Red’ IPA, and a ‘Golden’ Pilsner. Each beer is hand-crafted in small batches and is unfiltered and unpasteurised for maximum flavour.
