

CUNARD

A-Z destination entry requirements guide 2021.

2021 destination list.

The Covid-19 entry requirements on your voyage will vary from port to port. We appreciate this might cause some confusion, which is why we've put together this handy A-Z guide to help you find the specific Covid-19 testing requirements for the countries you will be travelling to once you have embarked in Southampton. Once on board any tests you may need to go ashore will be available to purchase, at a cost of \$25 per antigen test per person and \$35 per PCR test per person.

Please note that all the information in this guide is only applicable when in line with our latest Covid-19 vaccination and testing policy, please **click here** for more information. Of course, this is an ever-changing situation and we will do all we can to keep you updated if or when any of this information changes. This document will be updated regularly with all information regarding entry requirements, including embarking and disembarking outside of the UK.

To find out more about your holiday destinations, click on the relevant countries below.
