Welcome.

As Commodore of the fleet and Master of Queen Victoria, I welcome you to the unique world of Cunard. An unparalleled experience at sea, supported by one of the finest and most dedicated crews who stand ready to ensure our famous White Star Service® is there for you at all times.

Whether you are about to embark on your very first Cunard voyage or you are a regular Cunarder, I hope you enjoy this latest selection of extraordinary adventures across the globe that has been carefully curated to make the very most of your time. As always with Cunard, we strive to offer you an unrivaled sense of freedom and possibility so you may do as much or as little as you please.

I have always found exploring cities and far-flung places a true delight, especially from comfort and freedom of a Cunard ship. With Queen Mary 2® “remastered” in 2016, Queen Victoria® refit in June 2017 and the refit for Queen Elizabeth® coming in 2018, there really has never been a better time to sail with Cunard. We are ready to go – all that remains is for you to decide where you would like us to take you.

Commodore Christopher Rynd

Explore the world in style.

If this is the first time you have sailed with Cunard, prepare yourself for a unique treat. The first difference you may notice is the surprising amount of space on board; from broad open decks to beautiful atriums, you are equally sure to find yourself a peaceful place or a lively activity — you will always find somewhere to suit the way you feel.

It is your world, to savor in your own way.

Your choice of three exceptional ships is comprised of Queen Elizabeth, Queen Victoria and flagship Queen Mary 2. Grand in scale and stylish down to the smallest detail, each is a world unto herself. A place of discovery and relaxation, and the perfect setting from which to visit your favorite destinations or explore new lands.

There is a wonderful pace to a Cunard holiday, with just the right balance of time spent on board and ashore. Wherever possible, there is a sea day immediately after you set sail and the day before you disembark, so you are always refreshed for the adventures to come.

Welcome to your
Cunard home.

Cunard feels like another world, yet also as welcoming as home. It is a combination of courtesy and confidence that shows you are in the hands of a most professional crew, made of individuals who take great pride in making your stay on board effortless and unforgettable.

You can hear it in the way your stateroom steward greets you by name and remembers details about your trip. You can see it in your waiter's impeccable attention to detail. You can feel it in the way you relax the moment you step on board.

We believe great service is warm and sincere, not stuffy or hurried. It is always friendly, yet never over-familiar. Great service revolves around you.

At Cunard, we call it White Star Service[®] because it is a shining example of how best to treat every guest.

Queen Mary 2.

Welcome to the most famous ocean liner in the world.

Her elegance and scale are like no other. Encompassed within her graceful lines are fifteen restaurants and bars, five swimming pools, a full-sized theater, a casino, Canyon Ranch SpaClub®, a 3D cinema, a full scale planetarium and the largest dance floor at sea.

If you love fresh ocean air, there are acres of deck space and — as on all three Cunard Queens —

a traditional promenade deck that encircles the ship. She even has kennels to accommodate our four-legged guests in style on Transatlantic Crossings.

Queen Mary 2 unveiled the next chapter of Cunard innovation and investment in June 2016, when she received a significant refit that introduced enhanced interior designs and guest experiences as well as new Britannia Single and Club Balcony staterooms.

Queen Elizabeth.

Our youngest Queen at sea, Queen Elizabeth's grace and Art Deco design have won her many accolades and made her a firm favorite with guests. The heyday of Hollywood glamour is instantly evoked by her elegant wood paneling, gleaming chandeliers, marble flooring and beautiful decorative touches.

For relaxation, Queen Elizabeth offers wide open deck space, the Garden Lounge — a large conservatory, based on the famous hothouses of Kew Gardens — as well as a unique Games Deck, where you can try your hand at a game of croquet or paddle tennis on the middle of the ocean.

In November 2018 Queen Elizabeth will receive a refit.

Queen Victoria.

Queen Victoria is similar in size and layout to her sister ship, Queen Elizabeth, but with her own distinct personality and feel. Her classical décor has an Edwardian elegance — warm-toned and plush — executed with Cunard’s hallmark flair.

Fans of Queen Victoria — and they are legion — often remark on her unusual coziness. Because, while she is every inch a grand ship in terms of size and décor, she has a particularly warm and intimate feeling throughout.

A masterful update.

As Cunard continues to invest in the quality of your experience, Queen Victoria’s refit in May and June 2017 introduced enhanced interior design and several new features.

Britannia Club.

The introduction of 43 new Britannia Club staterooms in prime locations on decks seven and eight feature all the hallmarks of Cunard style and comfort. Britannia Club is enhanced with premium balconies, a nine-pillow concierge menu and the freedom to dine whenever you choose between 6.30pm and 9.00pm in the new Britannia Club restaurant. This restaurant is located on deck two.

Britannia Staterooms.

All Britannia staterooms feature newly designed carpets and soft furnishings, taking inspiration from Cunard’s heritage and bold color palettes. For extra comfort, tea and coffee making facilities and new flat screen HD televisions are available in all staterooms.

Grill Suites.

All grades of Queens Grill and Princess Grill suites received an interior refresh during Queen Victoria’s refit, to maximize space while ensuring unsurpassed levels of elegance and comfort. In the Grand Suites, a clever configuration of furniture maximizes the comfort and spacious appeal of this accommodation, creating an even more desirable sanctuary or space to entertain.

Bars and Lounges.

Making the most of Queen Victoria’s new aft extension, the Lido sun deck has been transformed with enhanced deck furniture, additional shaded areas, entertainment and al fresco dining options.

During the day, a new Chart Room serves light breakfast and lunch dishes, specialty teas, ily coffee and decadent Godiva chocolate treats. As day turns to night, this elegant venue serves the perfect cocktail to begin your evening on board.

Cunard has also introduced a gin and fizz themed menu to the Midships Lounge. This offers wine, prosecco, cava and champagne alongside premium gins and spirits, all blended to create fresh and inspiring cocktails.

Find the perfect restaurant in the middle of nowhere.

If anything sums up the freedom of your voyage it is the array of places to eat, from healthy to hearty, from light bites to haute cuisine. Your only challenge is deciding what to order, when so much catches the eye. You will find classics like tender lobster or melt-in-the-mouth chateaubriand. Often what is on offer reflects where you are in the world, as our chefs make use of fresh local ingredients.

Whether you are dining in the Britannia Restaurant, the Princess Grill or Queens Grill, everything is beautifully presented and offered with a discerning selection of wines that complement your choice perfectly. You will also find many delicious vegetarian dishes, and that we will happily cater for most special dietary requirements. On board all three ships, buffet-style dining is available throughout the day and until late evening. For those more informal lunches, the ever-popular Golden Lion pub welcomes you with traditional gastro-pub fare.

“Dining out” is always an option.

For a modest supplement, you can enjoy a change of culinary scenery anytime from your main restaurant, and “dine out.”

By evening, all ships offer alternative dining options. These include Italian, Indian, Pan Asian, Mexican and American Smokehouse menus, served in the Kings Court or Lido restaurants.

The Verandah restaurant serves French specialities during the day and evening. At dinner, it also offers an acclaimed multiple-course tasting menu — an unforgettable culinary experience for which it is truly worth skipping lunch.

So much to do, so much time.

You could try something new with Cunard every day and never experience it all.

Escape into a world of possibilities with as much or as little to do as you please. Feel everyday concerns slip away as you ease into a day of blissful relaxation, or begin to explore the many experiences that await you.

Guests often remark on there being so many choices with Cunard, they rarely have time to appreciate the peaceful refinement of their stateroom.

You may care to begin with a stroll or jog around the promenade deck; three laps on Queen Mary 2 are already one mile. You may wish to lose yourself in the largest libraries at sea, discover the only floating planetarium, or join our Sommeliers for a wine-tasting from our vast cellar.

Perhaps the time has come to start writing that novel; our classes can guide you. Maybe you have always wanted to learn the tango, try fencing, see how to take professional-grade photos, or possibly meet an astronaut at one of many Insight lectures.

Whatever inspires you, it is Cunard's delight to provide it.

A treat for all your senses.

Thermal suites for lounging, bubbly spa pools for luxuriating, and vast ocean views in which to get lost. Welcome to the Royal Spas on board Queen Victoria and Queen Elizabeth and Canyon Ranch SpaClub® on Queen Mary 2 — one of the largest spas at sea.

Each sensuous spa on board can lift you to another level of relaxation; a quiet retreat offering you a tempting range of indulgent treatments. Take a deep breath and feel revived by the scent of eucalyptus and the gentle sound of your soothing hydrotherapy bath.

Between a soak in the whirlpool and a tête-à-tête with friends, you might choose to immerse yourself in a novel, or simply drift in and out of sleep on your warm tile bed. Should you wish to slow the pace even further, you can listen to piano music in our Retreat Lounge before unwinding with a full body massage by a world-class therapist.

The night, as they say,
is yours.

Evenings on board offer so many pleasures, including deciding where to dine, and wondering whether to dance, mingle or enjoy a show. Then, of course, there is the fun of dressing for the occasion.

Yes, we invite guests to dress for dinner, and we think you will love it. Formal nights usually involve a themed Ball and account for about a third of your days on board. Many of our guests sail with Cunard precisely because they love a reason to step out in style.

For the other evenings the dress is smart yet relaxed – think jackets but no ties, and cocktail dresses. If you prefer to dress more casually, you are always welcome to dine in the Lido restaurants or Kings Court and to unwind for the evening in the Carinthia Lounge, Winter Garden, Garden Lounge, Yacht Club or G32.

Every evening is an event.

On each ship, the full-sized Royal Court Theatre is the setting for Broadway-caliber shows. Some nights feature singers or comedians. At other times, you might catch an abridged classical drama or a spectacular musical. On board Queen Elizabeth and Queen Victoria you can enjoy your own private box (the first of its kind at sea) where you can be served champagne.

If you are feeling lucky, maybe the casino calls. Or you can kick up your own heels on the beautiful sprung dance floor in the Queens Room ballroom – where our themed Balls are held – or in one of our nightclubs.

As you explore the ship, live music is around every corner, from solo harpists, to classical recitals, to jazz ensembles. The quizzes and karaoke nights in the Golden Lion pub always draw a lively, informal crowd.

Event cruises.

Cunard is offering a number of special event cruises in 2019, giving you all the benefits of a regular Cunard cruise but with the addition of special events or milestones to be part of.

Australia, by Cunard.

Awe-inspiring landscapes with unique wildlife are as much a feature of Australia as its laid-back, friendly cities. Sense the scale of the Australian continent as you sail into iconic, vibrant cities. Then experience the majestic beauty of New Zealand with its towering mountains and verdant valleys, washed by tumbling waterfalls – interspersed with blissful time aboard Queen Elizabeth.

Queen Elizabeth is just the first of many stunning sights you will see during this adventure, filled with unforgettable architecture and landscapes. Mark Twain rated Sydney a “wonder of the world,” bordering the world’s largest natural harbor and reaching towards the Blue Mountains.

Few natural wonders compare with the almost mythic beauty of New Zealand’s Fiordland National Park. South Island’s second-largest city, Dunedin, has Scottish and Maori heritage and the world famous Taieri Gorge Train.

Set on a sheltered harbor, Akaroa is a wonderful place for seeing dolphins, relaxing in a welcoming bar or touring Christchurch. Perched in the hills of a sparkling bay, Wellington has a charming setting with Edwardian architecture. Then competing for looks, encircled by extinct volcanoes and cloaked in wild mountainous scenery, lies Auckland – “City of Sails.” Bay of Islands is where modern New Zealand was born with the signing of the Treaty of Waitangi in 1840.

Highlights

- ◆ Cruise through the towering magnificence of New Zealand’s Fiordland National Park
- ◆ Head to the summit of Mount Victoria in Wellington for panoramic views of the city
- ◆ View the highlights of beautiful Northland and the famous Waipoua Forest from the Bay of Islands
- ◆ Explore the pretty port town of Picton, gateway to the marine and forest attractions of the Marlborough Sounds

2019 Voyages.

There is no better way to unveil the World's iconic ports than on a glamorous voyage aboard a Cunard Queen.

The following pages provide an inclusive look at the adventures that await, including Alaska, Transatlantic Crossings, Northern Europe, Caribbean and New England & Canada.

Queen Victoria, Flåm, Norway

10-night Vancouver Voyages.

Roundtrip Vancouver aboard Queen Elizabeth.

After 20 years, Cunard returns to Alaska with stops at scenic ports all over the Pacific Northwest. Choose from four remarkable roundtrip Vancouver itineraries that include a wealth of ports and memorable experiences. Witness the vastness of the landscapes in these icy northern reaches, where the sun barely sinks from sight in the summer months. You will pass enormous turquoise-hued glaciers and sail into a beautiful fjord that ancient glaciers have left behind.

Vancouver.

Grouse Mountain and Capilano Suspension Bridge are two of the top highlights of Vancouver. Her Gulf Islands are teeming with wildlife, so keep your binoculars at the ready for spotting pods of dolphins, seals, eagles, whales, otters and sea lions.

Ketchikan.

Ketchikan is probably best known for three things: salmon, scenery and the rich Alaska Native culture. Point your camera in most any direction and you will capture an image suitable for framing. It is a photographer's dream.

Tracy Arm Fjord* (*scenic cruising*).

Enjoy scenic cruising along the 27-mile-long Tracy Arm Fjord, a natural gem. The inlet is very narrow — at times, no more than half a mile wide — with cliffs that rise more than 3,000 feet on either side and waterfalls that cascade down the steep rock walls. In late spring and early summer, you can often spot eagles, seals, bears and whales here.

Juneau.

This capital city offers incredible outdoor activities like glacier flightseeing, whale watching, fishing and kayaking amidst the stunning Alaskan landscape. There is also a wealth of cultural attractions, including museums, historical sites, art galleries, events and plenty of local shopping.

Skagway.

Skagway's streets are lined with wooden boardwalks and restored buildings, looking much as they did 100 years ago. Have fun fishing, hiking or discovering the city's museums.

Icy Strait Point.

Icy Strait Point offers unparalleled access to adventure, wilderness, wildlife and genuine Native Tlingit hospitality. Eagles soar overhead and whales are regularly seen from the shore.

Hubbard Glacier (*scenic cruising*).

This tidewater glacier off the coast of Yakutat is more than six miles wide where it meets the ocean. Scenic cruising will bring you by the face, which is up to 400 feet tall — and icebergs three to four stories in height are not uncommon.

Sitka.

Enjoy views of island-studded waters and stately spruce forests reaching to the water's edge. Sitka is home to the Tlingit, who celebrated their life and culture long before Russians or Americans walked on the rocky shores and, today, Tlingit living culture is deeply rooted in this small seaside city.

Victoria.

Victoria is a unique blend of old world charm and new world experiences, where heritage architecture and colorful gardens are mixed with outdoor adventure and culinary experiences.

*Depending on the weather, Endicott Arm may be sailed rather than Tracy Arm Fjord.

Frequent inquiries.

A Cunard cruise promises wonderful times and a lifetime of memories. To ensure the most superb vacation possible, you will want to be sure you are well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit Cunard.com, contact your Travel Agent or call Cunard at (800) 728-6273.

What is included in my fare?

All fares include accommodations as booked, onboard meals* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Fares do not include Taxes, Fees and Port Expenses, gratuities, CunardCare travel protection or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Can guests with disabilities travel?

All guests requiring specific assistance, facilities or equipment on board, or wishing to bring such equipment on board, must advise Cunard Line at the time of booking and are requested to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements. If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any guests requiring the use of a wheelchair, mobility scooter or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters and other aids to mobility, as is the case with all other guest possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user traveling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard Line reserves the right to require guests who have booked a wheelchair-accessible stateroom without legitimate reason to move, at their own expense, if necessary.

Mobility scooters will only be permitted on board if guests have booked into a wheelchair accessible stateroom, or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate.

Please note that our wheelchair accessible staterooms are strictly reserved for guests who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the guests, the ship and all others on board, we recommend that guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or communication support, be accompanied by personal assistants/traveling companions to provide these services. Blind/Visually Impaired guests are recommended to travel with companions who can help them get their bearings and assist them both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. Please note that, due to applicable safety requirements, the design of the ship or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore excursion program, or shuttle bus service, suitable for guests who are not able to board a coach via the steps with only the aid of their traveling companion.

Cunard Line reserves the right to refuse passage to any guest who has failed to notify us of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about traveling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8am-5pm PT) or contact us by email at accessoffice@cunard.com.

Do you hold emergency drills on board?

Cunard ships are among the safest afloat. An emergency drill for guests will be held before the ship sails from her embarkation port on each cruise. Attendance at these drills is mandatory in accordance with International Maritime Law. In your stateroom, you will find a black folder containing safety information which describes the emergency procedures and designates the route for the guest assembly station to which you have been assigned. In addition to actively participating in the drills, you are urged to study this information carefully and familiarize yourself with the use of life jackets, which are provided for every guest. Children's life jackets are available from your stateroom steward.

*Excludes certain specialty areas of Kings Court and Lido in the evening and The Verandah where surcharges apply.

General information.

Responsibility

Transportation of guests and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other guest or crewmember.

Deposits

A 25% deposit is required within three days of reservation or sooner, as specified by Cunard for voyages less than 31 nights. For voyages 31 nights or longer, 15% is due at time of booking if booked by 221 days or more prior to sailing and an additional 15% at 220 days prior to sailing or 30% is due at time of booking if booked 220 days or fewer prior to sailing. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

Balance of payment

Full payment for all cruises shorter than 31 nights must be received by Cunard no later than 90 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 90 days prior to sailing. Final payment is due at 120 days prior to sailing on all voyages 31 nights or longer. Reservations made between 90 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 31 nights. Reservations made between 120 and 31 days prior to sailing require full payment within 24 hours of booking for voyages 31 nights or longer. Reservations made within 30 days of sailing require full payment at time of booking.

Methods of payment

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for onboard services/products by the guest or by Cunard on behalf of guests, shall be paid by guest prior to disembarkation.

Refunds

All refund requests pertaining to cruise, land and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund.

Onboard Credit

If you are due to receive Onboard Credit this will be applied to your account on the first night of your cruise. Onboard Credit cannot be used for any of the following: cash back, casino/gambling charges, foreign exchange, any medical services/prescriptions, charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CunardCare

We recommend that all guests purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver¹, CunardCare Travel Insurance², and CunardCare Worldwide Emergency Assistance³ designed for our most valued guests.

Baggage and valuables

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

Children traveling with an adult

Children under 21 years of age must be accompanied by an adult. Please confirm minimum age restrictions at the time of booking.

Embarkation/disembarkation

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three guests or luxury club vans for four to eight guests.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Agent or call Cunard at (800) 728-6273 for more information.

Guests with disabilities/special diets

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

Taxes, Fees and Port Expenses

The term "Taxes, Fees and Port Expenses," as used by us, may include any and all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees and Port Expenses may include U.S. Customs fees, head taxes, Panama Canal tolls, Suez Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees. Port Expenses include fees paid to third parties for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees and Port Expenses may be assessed per guest, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of guests on the Ship. Taxes, Fees and Port Expenses are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

Cunard® Complete Air Program, booking procedures, identification and refunds

Guests purchasing flights under the Cunard® CompleteAir Program may select either Flexible or Restricted fares that offer differing

levels of flexibility. Guests booked on Restricted fares are required to pay for their flights in full at the time of booking. Guests booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by the Cunard Line reservations system. Guest agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

All airline tickets are the property of the carrier and must be returned to carrier. Guests purchasing flights under the Cunard® CompleteAir Program may choose their flight and seat at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted program.

Cunard® Complete Air Late Arrival Protection

Guests who book air travel through Cunard Cruise Line will be automatically enrolled in the Cunard Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the guest. Please note, this applies to all cruises except Transatlantic Crossings.

Services provided by independent contractors

All shoreside tours and services described in this brochure, including air, hotels, transfers and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and onboard physicians since they are neither agents for nor employees of Cunard.

International travel documents and health information

It is the guest's obligation to obtain and carry with him/her a valid passport, visas, parental authorizations if required as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Check with your Travel Agent for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Depending on the area of the world visited, vaccination/immunization requirements vary considerably and are subject

to change at any time. We suggest that guests traveling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.
