## Welcome.

Welcome to the incomparable world of Cunard. It is our great pleasure to introduce you to a world of extraordinary adventures and experiences. Our fleet of elegant ships is manned by the most professional crews at sea today; we strive to go above and beyond your expectations, ensuring our famous White Star Service™ is always there for you.

Explore the world  
in style.

Your choice of three magnificent ships is comprised of Queen Elizabeth®, Queen Victoria®, and Queen Mary 2®, the flagship. Grand in scale yet refined down to the smallest detail, each is a world unto herself. A place of discovery and relaxation, and the perfect setting from which to visit your favorite destinations or explore new lands.

It is your world, to savor in your own way. You set the pace of your Cunard vacation. We offer the balance of time spent on board and ashore. Where possible, we ensure a sea day after you set sail and the day before you disembark so you feel refreshed for the adventures to come.

## Find the perfect restaurant in the middle of nowhere.

If anything sums up the freedom of your voyage it is the array of places to eat. From healthy to hearty, from light bites to haute cuisine, often what is on offer reflects where you are in the world, as our chefs make use of fresh local ingredients.

You will also find many delicious vegetarian dishes, and we will happily cater for most special dietary requirements, too.

On board all three ships, buffet-style dining is available throughout the day and until late evening.

For those more informal lunches, the ever-popular Golden Lion Pub™ welcomes you with traditional gastro-pub fare.

“Dining out” is always an option.

For a modest supplement, you can enjoy a change from your main restaurant anytime, and “dine out.”

Each evening, our ships offer alternative dining options. These include Italian, Indian, Pan Asian, Mexican, and American

Smokehouse menus, served in the Kings Court or Lido restaurants.

Steakhouse at The Verandah takes influence from both sides of the Atlantic. Our chefs have curated a menu showcasing prime USDA grain finished New York strip steak, Maine lobster, and Alaskan king crab, alongside dishes celebrating British provenance such as Scotch grass-fed dry-aged beef and Salt Marsh lamb rack. Offerings from further afield such as renowned Wagyu beef from Australia are also featured.

## So much to do, so much time.

You could try something new with Cunard every day and never experience all we have to offer.

Escape into a world of possibilities with as much or as little to do as you please. Feel everyday concerns slip away as you ease into a day of blissful relaxation or begin to explore the many experiences that await you.

Start with a stroll around the promenade deck (three laps of Queen Mary 2 equal one mile), lose yourself in the largest library at sea, discover the first floating planetarium, or join our Sommeliers for a wine-tasting

from our vast collection. If the time has come to start that novel, our classes can guide you. Take a tango lesson, try fencing, or learn how to mix the perfect Martini in our Martini Mixology classes. You might even meet an astronaut at one of our Insights lectures.

Guests often say there is so much to do, they rarely find time to appreciate their staterooms.

### A treat for all your senses.

Gently bubbling spa pools for luxuriating stress-relieving, thermal suites for lounging and vast ocean views for admiring. Welcome to

Cunard's sensuous onboard spas. These havens of pampering and wellness are tranquil retreats where you can sooth, rejuvenate, and detoxify with a wide assortment of indulgent treatments.

Immerse yourself in a sanctuary of calm with soothing, healing sessions in multiple steam rooms, saunas and relaxation areas, while reinvigorating your senses and state of mind.

Should you wish to slow the pace even further, you can listen to piano music in our Retreat Lounge before unwinding with a full body massage.

## The night, as they say, is yours.

Evenings on board offer so many pleasures: deciding where to dine, wondering whether to dance, mingle, or enjoy a show. Then, of course, there is the fun of dressing for the occasion.

On our much-loved Gala Evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere is heightened across the ship. There are two or three of these special Gala Evenings for every seven days of your voyage.

Many of our guests sail with Cunard precisely because they

love a reason to step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues is always available for your enjoyment.

### Every evening is an event.

On each ship, the full-sized Royal Court Theatre is the setting for West End-quality shows. Some nights feature singers or comedians, other times you might catch a classical drama or a spectacular musical. On board Queen Elizabeth and Queen

Victoria, you can enjoy your own private box — the first of their kind at sea — where you can be served Champagne.

If you are feeling adventurous, maybe the casino calls. Or the beautiful sprung dance floor in the Queens Room ballroom where our themed balls are held. Or one of our nightclubs.

As you explore the ship, live music is around every corner, from solo harpists to classical recitals to jazz ensembles. In the Golden Lion Pub, karaoke nights and quizzes always draw a lively and informal crowd.

## Special Events at Sea.

Cunard is offering a number of event voyages in 2020 featuring exclusive speakers, activities, and events alongside all the benefits of a Cunard voyage.

Journey of Genealogy

In association with *Ancestry*®.

### Westbound Transatlantic Crossing August 14, 2020 ♦ M025

Queen Mary 2's Journey of Genealogy returns in 2020, and this special crossing will mark the 400th anniversary of the Mayflower voyage – one of the most influential journeys in global history, and a defining moment in the shared history of Britain, the US, and the Netherlands. In 1620, the first English Puritans, known today as the Pilgrims, set sail from England to the New World. Prior to leaving the ship they signed the Mayflower Compact, a document which established a rudimentary form of democracy and legal order.

Events on board will commemorate the significance of this iconic journey and we welcome back *Ancestry* for their second crossing.

*Ancestry* experts will host talks themed around the historic Mayflower voyage and the stories of the passengers that made that journey. They will investigate the descendants of our founder Sir Samuel Cunard, and offer the opportunity to trace your family tree through the centuries and find out how your DNA connects you to the world.

In association with *Cheltenham Literature Festival*, *The Times* and *The Sunday Times*.

### Westbound Transatlantic Crossing December 1, 2020 ♦ M039

Returning for its second year, this seven-day event – in partnership with *The Cheltenham Literature Festival* – celebrates everything we love about the written word. Sail with novelists, historians, poets, and critics, as well as *Times* journalists who spark lively conversation about the latest news. Fill your heart with holiday spirit over Dickens and Kipling, and indulge yourself into literature with a midnight ghost story and a concert of carols and poems.

## Queen Victoria.

Queen Victoria has her own distinct personality and feel. Her classical décor has an Edwardian elegance — warm-toned and plush — executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain — Inger Klein Thorhauge — and the first in the world to offer private boxes at sea in the Royal Court Theatre.

Fans of Queen Victoria — and they are numerous — often remark on her unusual coziness. Because, while she's every inch a grand ship in terms of size and decor, she has a particularly warm and intimate feeling throughout.

## Queen Elizabeth.

Christened by her namesake HM the Queen in 2010, and the youngest of our fleet, Queen Elizabeth pays tribute to classic Art Deco design. Her styling has won her numerous accolades and made her a firm favorite with guests. Her elegant wood paneling, gleaming chandeliers, marble flooring, and beautiful decorative touches instantly evoke the heyday of Hollywood glamour – nowhere more so than in the triple-height Grand Lobby, its sweeping staircase dominated by a stunning marquetry-panned portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers wide open deck space, the Garden Lounge – a large conservatory, based on the famous hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at a game of croquet or paddle tennis in the middle of the ocean.

Long celebrated for her art deco glamour, Queen Elizabeth recently underwent a bow-to-stern refit to elevate her offerings. That includes contemporary stylings in the Royal Arcade and enhancements to all Grill Suites and Britannia Staterooms. Guests continue to marvel over the triple-height Grand Lobby, its sweeping staircase dominated by a portrait of the original RMS Queen Elizabeth.
