Welcome.

Welcome to the incomparable world of Cunard. It is our great pleasure to introduce you to a collection of extraordinary adventures and experiences. Our fleet of elegant ships is manned by the most professional crews at sea today. We strive to go above and beyond your expectations, ensuring that our famous White Star Service® is always there for you.

We are thrilled to offer you a selection of inspiring journeys. Slip away to sunny Caribbean shores, explore the vast landscapes of Australia and New Zealand, or fulfill your sense of discovery throughout Asia. From our iconic Transatlantic Crossings to epic World Voyages, we always get you there in style. Other highlights include world-class performers and entertainers and signature Cunard experiences including our famous Afternoon Tea and spectacular Gala Balls.

We are also delighted to announce that a fourth ship will be joining the Cunard fleet in 2022. As the 249th ship to fly the Cunard flag, she will be our first new ship in over 12 years, making it the first time in over 20 years that we will have four ships sailing simultaneously.

When sailing with Cunard, you always have the freedom to do as much or as little as you please. It is completely up to you. We present you with the entire world. All you need to do is decide where you would like us to take you.

Explore the world
in style.

If you have not previously sailed with Cunard, prepare yourself for a treat. The first thing you will notice is the surprising amount of space. From broad open decks to beautiful atria, our ships always offer somewhere to suit the way you feel: whether a peaceful place or a lively activity.

It is your world to savor in your own way. You set the pace of your Cunard vacation. We offer the balance of time spent on board and ashore. Where possible, we ensure a sea day after you set sail and the day before you disembark so that you feel refreshed for the adventures to come.

Your choice of three magnificent ships is comprised of Queen Elizabeth®, Queen Victoria® and Queen Mary 2®, our flagship. Grand in scale and refined down to the smallest detail, each is a world unto herself. This is a place of discovery and relaxation, and the perfect setting from which to visit your favorite destinations or explore new lands.

A world that revolves
around you.

Cunard feels like another world, yet also as welcoming as home. It is a combination of comfort, courtesy and everything being just the way you like.

You can feel it in the way you relax the moment you step on board. You can hear it in the way your steward greets you by name and remembers details about your trip. You can see it in your waiter's impeccable attention to detail.

We believe great service is warm and sincere, never stuffy or pretentious. Always friendly, yet never over-familiar. There for you when you call, otherwise almost imperceptible.

At Cunard, we call it White Star Service™ and it is a shining example of how best to treat every guest.

Queen Mary 2.®

Welcome to the most famous ocean liner in the world.

Her elegance and scale are like no other. She was built to sail the open seas, and with the strength to cut through the mighty Atlantic. Nestled within her graceful lines are 15 restaurants and bars, five swimming pools, a full-sized theater, a casino, Canyon Ranch® Spa, a 3D cinema, a full-scale floating planetarium and the largest dance floor at sea.

There are acres of deck space and a traditional promenade deck that circumnavigates the ship. She even has kennels to accommodate our four-legged guests in style during Transatlantic Crossings.

Queen Mary 2 unveiled the next chapter of Cunard innovation in 2016, when she received a significant refit that introduced enhanced interior designs and guest experiences as well as new Balcony and Britannia Single-Occupancy staterooms.

Queen Elizabeth.®

The story of Queen Elizabeth is one of enduring elegance and style. The youngest vessel in our fleet was christened in 2010 by her namesake, Her Majesty the Queen, and quickly became a favorite among guests and industry leaders alike.

Long celebrated for her art deco glamour, Queen Elizabeth recently underwent a bow-to-stern refit to elevate her offerings. That includes contemporary stylings in the Royal Arcade and enhancements to all Grill Suites and Britannia Staterooms. Guests continue to marvel over the triple-height Grand Lobby, its sweeping staircase dominated by a painting of the original RMS Queen Elizabeth.

Relaxed spaces include the Garden Lounge – a large conservatory based on the famous hothouses of Kew Gardens – and the Games Deck to enjoy croquet, bowls and paddle tennis at sea.

Queen Victoria.®

Queen Victoria is similar in size and layout to her sister ship, Queen Elizabeth, but with her own distinct personality and feel. Her classical décor has an Edwardian elegance – warm-toned and plush – executed with Cunard's hallmark flair.

She is also the holder of several firsts. Among them, she's the first Cunard ship to have a female captain – Inger Klein Thorhauge – and the first in the world to offer private boxes at sea in the Royal Court Theatre.

Fans of Queen Victoria often remark on her unusual coziness. While she is every inch a grand ship in terms of size and décor, she has a particularly warm and intimate feeling throughout.

In 2017, Queen Victoria underwent a multimillion-dollar refit. This included an upgraded and increased choice of staterooms, new Britannia Club™ dining, a broader and more distinct bar offering, a transformed sun deck and the addition of several other luxurious new features.

Find the perfect restaurant in the middle of nowhere.

Among the most anticipated activities on any Cunard voyage: dining, naturally. Fresh, thoughtfully prepared cuisine across a variety of venues lets you discover something new each day — from healthy to hearty, from light bites to haute cuisine, and we will always accommodate special dietary needs. Buffet-style dining is available fleetwide through the day and into late evening. No matter which stateroom or suite you choose, every meal is something to savor and celebrate with beautiful presentations and a top-tier wine selection.

“Dining out” is always an option.

There are also plenty of other ways to “dine out” at sea. Guests love the welcoming ambiance of Golden Lion Pub™ for gastropub fare enjoyed with a lager or an ale, while Champagne Afternoon Tea is a decadent midday treat offering sweet and savory bites accompanied with Laurent-Perrier champagne. For a modest supplement, you can select from alternative dining options — including Italian, Indian, Pan-Asian, and Mexican cuisine served in the Kings Court™ or Lido restaurants.

Our newest dining concept across all three ships is the Steakhouse at The Verandah, featuring a curated menu — from New York strip steak and Maine lobster to Scotch grass-fed, dry-aged beef and Wagyu beef, each dish pairing perfectly with a robust wine or contemporary craft cocktail.

So much to do, so much time.

You could try something new with Cunard every day and never experience all we have to offer.

Escape into a world of possibilities with as much or as little to do as you please. Ease into a day of blissful relaxation, or explore the many experiences that await you.

Take a stroll around the promenade deck — three laps of Queen Mary 2's Promenade deck add up to one mile — or lose yourself in the largest library at sea, discover the first floating planetarium or join our sommeliers for a wine tasting from our vast collection.

Perhaps the time has come to start writing that novel, be taught to tango, give fencing a try or learn how to mix the perfect martini. Our classes can guide you. You might even meet an astronaut at one of our Cunard Insights® lectures.

Guests often say there is so much to do, they rarely find time to appreciate their staterooms.

A treat for all your senses.

Bubbly spa pools for luxuriating, thermal suites for lounging and vast ocean views. Welcome to the Royal Spa,[™] inspired by Canyon Ranch on board Queen Victoria, the debut of Mareel Wellness & Beauty on Queen Elizabeth, and Canyon Ranch Spa[®] on Queen Mary 2 — one of the largest spas at sea.

Each of our sensuous spas offers you a tranquil retreat with an indulgent range of treatments.

Between a soak in the whirlpool and a tête-à-tête with friends, you might choose to immerse yourself in a novel, or simply drift in and out of sleep on your warm tile bed.

Should you wish to slow the pace even further, you can listen to piano music in our Retreat Lounge before unwinding with a full-body massage.

Mareel Spa, Queen Elizabeth

The night, as they say,
is yours.

Evenings on board offer many pleasures — deciding where to dine, and wondering whether to dance, mingle or enjoy a show. Then, of course, there is the fun of dressing for the occasion.

During our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere is heightened across the ship. There are two or three of these special Gala evenings for every seven days of your voyage.

Many of our guests sail with Cunard precisely because they love a reason to step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues is always available for your enjoyment.

Every evening is an event.

On each ship, the full-sized Royal Court Theatre is the setting for Broadway-quality shows. Some nights feature singers or comedians, other times you might catch a classical drama or a spectacular musical.

On board Queen Elizabeth and Queen Victoria you can enjoy your own private boxes — the first of their kind at sea — where you can be served champagne.

If you are feeling lucky, maybe the casino calls. The Queens Room ballroom where themed Balls are held, or any of our nightclubs are also enticing destinations.

As you explore the ship, live music is around every corner — from solo harpists to classical recitals to jazz ensembles. In the Golden Lion Pub,[™] karaoke nights and quizzes always draw a lively and informal crowd.

Half the pleasure is in the planning.

If Cunard's ships have inspired you, it may be time to consider some of the amazing places to which our World and Exotic voyages can take you.

The Transatlantic Crossing.

This is a sailing anchored in history. Once the only way from Europe to the New World, transatlantic ships were famed for their romance and speed. Today there are many quicker ways to travel, yet none finer.

Spending seven days aboard Queen Mary 2 gives you time to forget about time as the boundless ocean surrounds you. All you need to do is surrender to the rhythms of dining, discovery, mingling or relaxing.

Whether you are sailing from New York to Europe or vice-versa, we suggest spending a few extra days in your destination city and taking advantage of our selected hotels.

New Zealand and Australia.

From an exhilarating day sailing through the glacier-carved Fiordland National Park to exploring charming coastal towns along the North and South Islands, New Zealand will take your breath away with its natural beauty and enduring heritage. Australia always captivates with its golden shores and sophisticated cities. Explore iconic sites in Sydney like the Sydney Harbour, the Sydney Opera House and classic Bondi Beach, or discover the welcoming city of Brisbane before sailing off to the sapphire waters of the Great Barrier Reef. Wild and remote Tasmania will also enchant you as cultural treasures and native wildlife abound.

Caribbean.

Ring in the new year while sailing among sunny Caribbean islands. Draped in festive décor and filled with cheer, Queen Mary 2 is your home away from home during the holiday season. From the shopping paradise of St. Thomas to beautiful, diverse shores of St. Kitts, Barbados and St. Lucia, this is the most magical way to share the holidays with your loved ones.

New York to Sydney

Your journey departs from one of the most iconic cities in the world as you start your voyage with Queen Mary 2 to fascinating ports of call. After six refreshing days at sea, dock in Southampton and visit London's classic landmarks, then sail south to the tropical island of Tenerife where stretches of sun-drenched beaches are backdropped by jagged mountains. Frequent inquiries.

A Cunard cruise promises wonderful times and a lifetime of memories. To ensure the most superb vacation possible, you will want to be sure you are well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit Cunard.com, contact your Travel Advisor or call Cunard at (800) 728-6273.

What is included in my fare?

All fares include accommodations as booked, onboard meals* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Fares do not include Taxes, Fees and Port Expenses, gratuities, CunardCare travel protection or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Can guests with disabilities travel?

All guests requiring specific assistance, facilities or equipment on board, or wishing to bring such equipment on board, must advise Cunard Line at the time of booking and will be asked to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements. If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any guests requiring the use of a wheelchair, mobility scooter or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters and other aids to mobility, as is the case with all other guest possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user traveling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard Line reserves the right to require guests who have booked a wheelchair-accessible stateroom without legitimate reason to move, at their own expense, if necessary. Mobility scooters will only be permitted on board if guests have booked into a wheelchair accessible stateroom, or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate. Please note that our wheelchair accessible staterooms are strictly reserved for guests who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the guests, the ship and all others on board, we recommend that guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or being given communication support, be accompanied by personal assistants/traveling companions to provide these services. Blind/Visually Impaired guests are recommended to travel with companions who can help them get their bearings and assist them both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. Please note that, due to applicable safety requirements, the design of the ship or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore excursion program, or shuttle bus service, suitable for guests who are not able to board a coach via the steps with only the aid of their traveling companion. Cunard Line reserves the right to refuse passage to any guest who has failed to notify us of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about traveling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8am-5pm PT) or contact us by email at accessoffice@cunard.com.

Do you hold emergency drills on board?

Cunard ships are among the safest afloat. An emergency drill for guests will be held before the ship sails from her embarkation port on each cruise. Attendance at these drills is mandatory in accordance with International Maritime Law. In your stateroom, you will find a black folder containing safety information which describes the emergency procedures and designates the route for the guest assembly station to which you have been assigned. In addition to actively participating in the drills, you are urged to study this information carefully and familiarize yourself with the use of life jackets, which are provided for every guest. Children's life jackets are available from your stateroom steward.

*Excludes certain specialty areas of Kings Court and Lido in the evening and The Verandah where surcharges apply.

General information.

Responsibility

Transportation of guests and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and which is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other guest or crewmember.

Deposits

A 25% deposit is required for all guests (including third and fourth berths) within three days of reservation or sooner, as specified by Cunard for voyages less than 31 nights. For voyages 31 nights or longer, a 20% deposit is required within three days of reservation or sooner, as specified by Cunard. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

Balance of payment

Full payment for all cruises shorter than 31 nights must be received by Cunard no later than 120 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 120 days prior to sailing. Final payment is due at 150 days prior to sailing on all voyages 31 nights or longer. Reservations made between 120 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 31 nights. Reservations made between 150 and 31 days prior to sailing require full payment within 24 hours of booking for voyages 31 nights or longer. Reservations made within 30 days of sailing require full payment at time of booking.

Methods of payment

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for onboard services/products by the guest or by Cunard on behalf of guests, shall be paid by guest prior to disembarkation.

If non-cruise components only are canceled, the guest will be responsible for any cancellation charges imposed by the airlines, other transportation carriers, tour and ground operators or hotel properties.

Refunds

All refund requests pertaining to cruise, land and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund.

Onboard Credit

If you are due to receive Onboard Credit this will be applied to your account on the first night of your cruise. Onboard Credit cannot be used for any of the following: cash back, casino/gambling charges, foreign exchange, any medical services/prescriptions, charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CunardCare®

We recommend that all guests purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver¹, CunardCare Travel Insurance², and CunardCare Worldwide Emergency Assistance³ designed for our most valued guests.

Baggage and valuables

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

Children traveling with an adult

Children under 21 years of age must be accompanied by an adult. Please confirm minimum age restrictions at the time of booking.

Pregnancy Policy

Reservations will not be accepted for women who will be 24 or more weeks pregnant at the time their cruise with Cunard Line concludes.

Embarkation/disembarkation

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three guests or luxury club vans for four to eight guests.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Advisor or call Cunard at (800) 728-6273 for more information.

Guests with disabilities/special diets

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

Taxes, Fees and Port Expenses

The term "Taxes, Fees and Port Expenses," as used by us, may include any and all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees and Port Expenses may include U.S. Customs fees, head taxes, Panama Canal tolls, Suez Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees. Port Expenses include fees paid to third parties for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees and Port Expenses may be assessed per guest, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of guests on the Ship. Taxes, Fees and Port Expenses are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

Cunard® CompleteAir Program, booking procedures, identification and refunds

Guests purchasing flights under the Cunard® CompleteAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on Restricted fares are required to pay for their flights in full at the time of booking. Guests booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by the Cunard Line reservations system. Guest agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

Guests purchasing flights under the Cunard® CompleteAir Program may choose their flight and seat at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted program.

Cunard® CompleteAir Late Arrival Protection

Guests who book air travel through Cunard Cruise Line will be automatically enrolled in the Cunard Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost

to the guest. Please note, this applies to all cruises except Transatlantic Crossings.

Services provided by independent contractors

All shoreside tours and services described in this brochure, including air, hotels, transfers and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and onboard physicians since they are neither agents for nor employees of Cunard.

International travel documents and health information

It is the guest's obligation to obtain and carry with him/her a valid passport, visas, parental authorizations if required as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Check with your Travel Advisor for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Depending on the area of the world visited, vaccination/

immunization requirements vary considerably and are subject to change at any time. We suggest that guests traveling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.

What to pack.

Wondering what to pack for your voyage? We have put together a guide to assist you in deciding what to wear for each occasion on your vacation. We hope our style guide featuring iconic fashion houses and international brands will both help and inspire you in choosing your cruise wardrobe.

One of the real pleasures of our ships is the balance between being relaxed and free to dress as you please during the day and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala nights.

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

On our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship. There are two or three of these special Gala evenings for every seven days of your voyage. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.
