OF THE PEOPLE AND QUALITY OF  
THE PRODUCT”

BERNARD DE NONANCOURT

Laurent-Perrier is a family-owned high-end champagne House. Laurent-Perrier is a pure player and has always had a pioneering and innovating role in Champagne. The House is based upon 4 strong beliefs that makes it different from all other champagne houses: assemblage is the art of champagne, not the vintage ; style makes us distinctive and unique ; Chardonnay is the majority grape variety in all of the white House's wines; the expression of Pinot Noir comes from maceration, allowing Laurent-Perrier to reveal all the richness of the best Crus.

Champagne Laurent-Perrier is served at the world's best addresses and in collaboration with Cunard, around the globe on the most iconic voyages.
