Cunard Sake	180ml US\$
-------------	---------------

We've partnered with the Akashi Sake Brewery to create two unique labels of all-natural sake. Bottled from a single tank, these sakes are made with a field-to-bottle philosophy, ensuring the use of high-quality ingredients. They are made with Yamada Nishiki rice sourced from the towns of Ono and Yokawa-cho, earning them the Harima geographical indication. A region in Hyogo Prefecture, Japan, Harima is renowned as the birthplace of sake and ideal for growing Yamada Nishiki.
