The finest dining, anywhere in the world

Menus designed by Michelin-starred chefs. Dishes that celebrate the destinations our ships sail to. When it comes to dining at sea, we set the bar high.

You'll find everything from light bites to haute cuisine on board. Menus that reflect where you are in the world. And chefs willing to whip you up something special (even when the rest of the ship is sleeping). Choosing where to eat presents as many possibilities as what to eat. Bountiful buffets. Poolside grills. Afternoon Tea. Each day is a culinary adventure.

Build your own nourishing bowl at The Pavilion Wellness Café, or choose from the finest fillets at the steakhouse. On Queen Anne you could choose the Japanese omakase menu at Aji Wa, a taste of India's spice trail at Aranya, or perhaps Mediterranean-inspired dining at Tramonto.

At the Golden Lion, finessed pub favourites (including a selection by Michelin-starred chef Michel Roux) deliver a taste that pairs perfectly with our own Cunard ales. Then there's the culinary artistry that awaits you in your ship's main dining room, where à la carte meals unfold in a symphony of style and flavour.

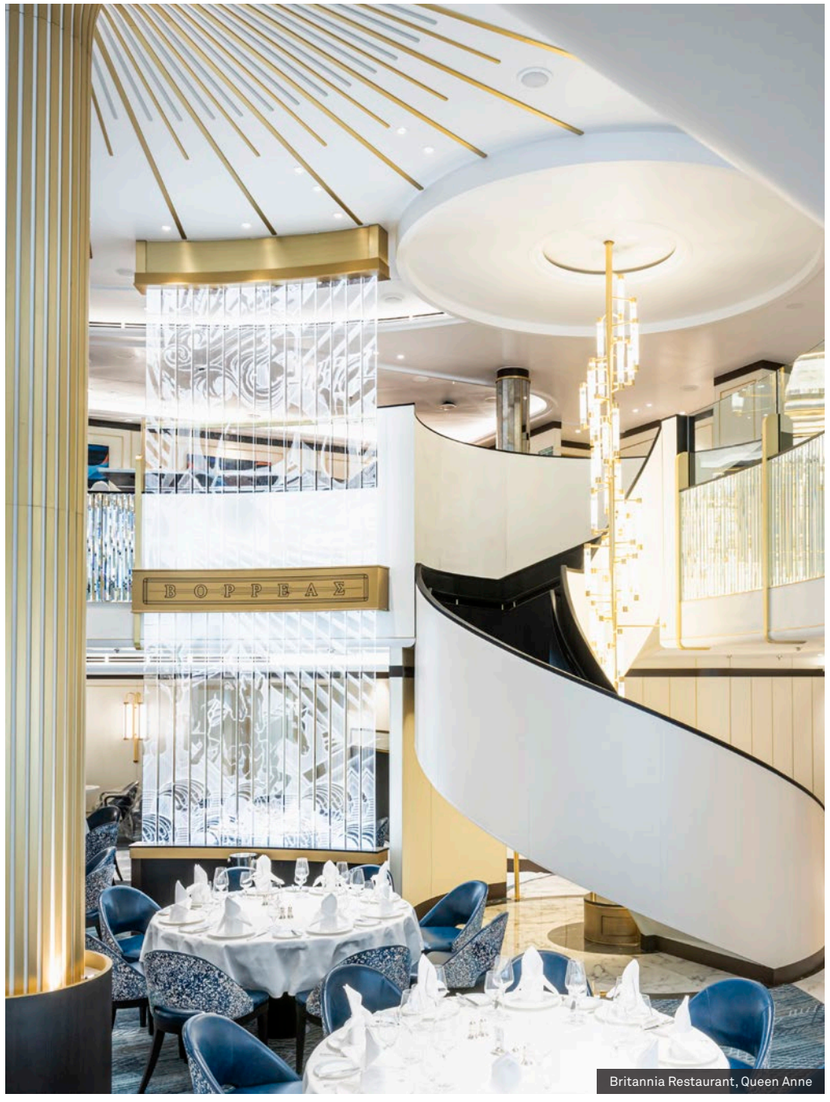

Please see page 170 for information regarding dietary requirements

The Britannia experience

There's nothing quite like those first steps into your stateroom on a Cunard voyage. As you close the door and embrace the privacy and space of your on board home from home, you'll enjoy a sense of relaxation like no other. It's the moment your holiday truly begins, in this place where a soft bathrobe and plush mattress await you at the end of each day of adventure.

Your stateroom steward will turn down your room each night and refresh it each morning. There's also complimentary room service at breakfast, should you feel like a leisurely morning spent lounging in bed for as long as possible (well, you are on holiday after all).

Staying in a Britannia stateroom also allows you to dine in the Britannia Restaurant. With the flow of conversation and full waiter service, dining in this double-height space always feels like an event. Enjoy the freedom to keep things flexible with Open Dining or perhaps opt for a set time of Early or Late.

So much to do, so much time

Our voyages offer a world of possibilities, in which you can do as much or as little as you like. Ease into blissful relaxation or explore and see where each day takes you.

Lose yourself in the grandest libraries at sea. Join sommeliers for Lunch & Learn experiences where you'll discover unique wines. Has the time come to pick up a paintbrush and create a masterpiece, or learn how to make your own perfect serve at a Gin Masterclass? You could immerse yourself in the rhythm and perfect your tango in a dance class, or perhaps fencing sounds a little bit more 'you'?

Ashore, let our hand-picked expert guides show you the heart of every destination. From unhurried walking tours to lesser-known local food highlights, choose from a selection of Shore Experiences designed to suit all.

Whether you want days filled with excitement, or you're looking to slow things down and do as little as possible, find what you're looking for with Cunard.

What will you discover at a Cunard Insights talk?

Why not step outside of your daily life and try something new? Embark on a journey of self-development. Enlightenment. And most importantly, enjoyment. Come along and feel inspired at an eclectic mix of talks, workshops, and discussions with high-calibre experts. Experts who may well have shaped the world. The Cunard Insights programme provides a meaningful – and often rare – opportunity for you to hear from acclaimed professionals and fascinating personalities on board.

Maybe you'll meet new friends playing games?

Darts. Pub quiz. Pickleball. There's a host of games to play on board, both out on deck and inside. You could simply come along and have a go, or sign up for tournaments if you're feeling up to a challenge! If you consider yourself a dab hand at the classics like shuffleboard and deck quoits, look for 'meet-ups' in your Daily Programme, designed to introduce you to like-minded new friends.

Will you discover a new talent at a masterclass?

Make the most of opportunities to learn something new on board, with a collection of workshops and masterclasses to choose from. Find out how to blend flavours to make a fresh and fruity cocktail. Perfect your poker face at lessons in the casino. Try archery or learn the basics of ballroom dancing. Sign up for as many as you like.

Or are you in need of a little 'me-time'?

Perhaps your idea of a holiday means never straying too far from the pool. Cocktail ordered. Book in hand. If this is your idea of bliss, why not take the opportunity? Or perhaps the salon and spa within Mareel Wellness & Beauty will draw you in. Whether you feel like a soothing, deep tissue massage or you want a beard trim and tidy, skilled therapists and stylists are ready and waiting.

Taking care of you

On a voyage with Cunard, find the time to put yourself first.

Stay active at a fitness class, from soothing yoga to blood-pumping spinning. Enjoy uninterrupted laps of walking or jogging on your own terms, on the promenade deck. Ashore, choose an active Shore Experience, from scenic hikes to stand-up paddleboarding.

Back on board, a visit to Mareel Wellness & Beauty brings plenty to leave you feeling your best. Over 40 ocean-inspired treatments are designed to restore, revive, and heal, at the hands of London Wellness Academy-trained therapists.

Explore opportunities to learn at self-care seminars, covering everything from good posture to skincare routines. Make health-conscious choices when it's time to eat, without compromising on flavour. Perhaps simply make use of the pool, taking in some valuable vitamin D as you challenge yourself with lengths. It's easy to focus on exactly what you need, on a holiday with Cunard.

As the sun goes down, the style goes up

State-of-the-art theatres. Best-in-class musicians. Award-winning entertainment. Revel in unforgettable evenings where the buzz of the city is brought to the sea.

Nights on board our Cunard Queens offer all the variety you're accustomed to ashore. Be serenaded by the melodic sounds of a pianist in the Commodore Club. Cosy up for a film screening under the stars at The Pavilion on Queen Anne. Or join the dance floor as a live band gets the party started in the Queens Room.

On selected voyages you could see a critically acclaimed stage show at the Royal Court Theatre, or get caught up in the centre of an interactive drama during one of our Entertainment Residencies. Then there's the Bright Lights Society on board Queen Anne, the home of rip-roaring cabaret and unique, immersive treats for the senses.

Elsewhere, a selection of celestial-inspired cocktails awaits you at the Chart Room, while wine fans can choose from our own Cunard Cellar Reserve selection. Live DJs and silent discos. Comedians and vocalists. Dance troupes and acrobats. Get ready for evenings filled with new discoveries.

Ready for the performance of a lifetime?

West End and Broadway shows specially adapted for the Royal Court Theatre stage. Interactive entertainment that immerses you in the action. Each evening our ships play host to live performances you'll never forget. Selected ships offer the chance to sip Champagne from the comfort of your own theatre box as you gaze upon the evening's production. Then there's the thrill of our Entertainment Residencies. Part performance, part experience, these intimate live shows stir the imagination.

In search of the perfect night cap?

Whatever your tipple of choice, you'll be spoilt by the options on board our Queens. Discover flights of Cunard craft ales at the Golden Lion pub and best-in-class martinis made with our own vermouth at the Commodore Club. Find your perfect serve at The Midships Bar on Queen Elizabeth or Queen Victoria, and on Queen Mary 2, take your seat at the only Laurent-Perrier Champagne Bar at sea. Plus, the perfect negroni is always just a dice roll away at the 1840 casino bar on Queen Anne.

Looking to give your dancing shoes a spin?

Every evening, over 100 live musicians help to fill the air with music across our fleet, creating the perfect atmosphere for a spin around the dancefloor. If the mood takes you, you'll have your pick of places to showcase your skills. The grandeur of the Queens Room, where themed party nights are soundtracked by a resident house band. The Pavilion on Queen Anne, with its silent discos and live DJs. If your feet are still hungry for more, Queen Mary 2's G32 nightclub, Bright Lights Society on Queen Anne, and the Yacht Club on Queen Elizabeth and Queen Victoria all welcome revellers into the early hours.

Sustainability at Cunard

The ocean is our home, destinations are our partners and people are our passion. Delivering extraordinary cruise experiences is our purpose. Operating ships requires energy and resources, and like all forms of travel, our voyages have environmental impacts. At Cunard, we are committed to continuously improving how we operate while supporting the communities we visit and the experiences our guests enjoy. This is a long-term programme built on practical action and measurable progress.

Investing in our fleet

We are improving the efficiency of our ships by introducing new technologies and connecting to shore power in ports when operationally feasible. Shore power can reduce emissions and noise while in port, contributing to a quieter, more comfortable experience for guests and local communities. We also produce over 80% of the freshwater used on board from seawater. It's one of the many ways we manage resources carefully, because every drop counts.

Enhancing our operations

We continually review and improve our operations to reduce waste and enhance efficiency on board. This includes initiatives to reduce single-use plastics and minimise food waste, so there is less left over. We also work to refine our sailing routes and operating practices to help minimise disturbance to marine life, such as slowing our ships in recognised whale migration areas. These actions are central to delivering well managed, carefully operated holidays that our guests can choose with confidence.

Partnering with destinations

We collaborate closely with ports and local partners to support the destinations our guests love to visit. By championing local businesses and services, and organising meaningful community volunteering initiatives, we strive to make a positive and lasting difference. Our aim is to foster thriving communities that benefit from our presence, ensuring that guests and locals enjoy the advantages of cruising.

Uniting our people

Our commitment to delivering unforgettable holidays begins with our exceptional people. Whether on board or ashore, we nurture a supportive and safe working environment that promotes service, innovation, and ongoing development. By empowering our people, we ensure that every guest enjoys the highest standards at every stage of their holiday with Cunard.

Transparency

Operating cruise ships requires energy and resources, and like many forms of travel, our operations contribute to greenhouse gas emissions and other environmental impacts. Our ships operate under international maritime regulations governing emissions, wastewater treatment, and other permitted discharges at sea. We are focused on continuously improving how we operate and reducing our environmental footprint where possible.

For further information, see our Carnival Corporation Sustainability Report by scanning the QR code below.

This page includes claims related to our greenhouse gas emissions reductions, goals, initiatives, accomplishments, and progress reports. Supporting data for such greenhouse gas emissions claims and other sustainability claims, including data verification information, is published in our Sustainability Reports on carnivalcorp.com/impact on an annual basis.

Caribbean, by Cunard

From centuries-old rum distilleries to kaleidoscopic marine life, the islands of the Caribbean have so much to offer. And that's on top of the endless choice of sugar-sand beaches.

Explore colourful waterfront streets in Willemstad. Wander underground tunnels at Fort Matthew in St George's. Sample delicious local seafood served a stone's throw from the beach in Bridgetown. Then, in Roseau, step into another world as you discover lush rainforest landscapes, taking in hidden waterfalls and traditional island flavours.

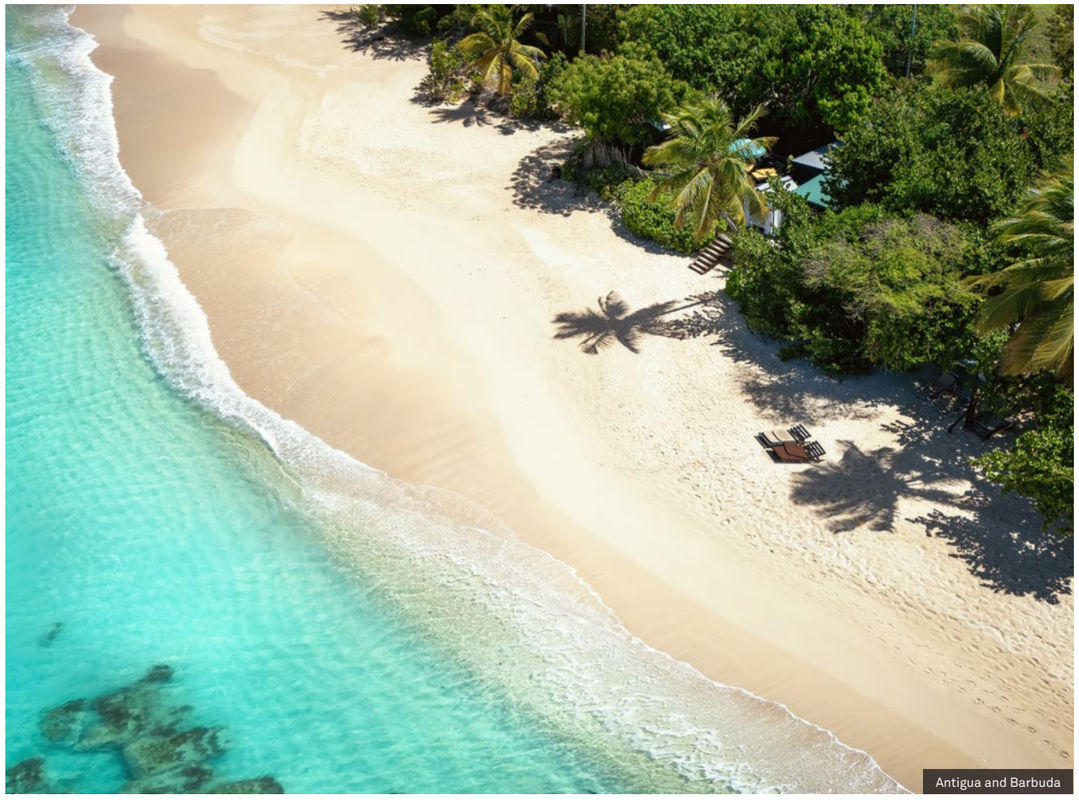

With our selection of expert-led Shore Experiences, get to know these magical islands in style. See another side to local life, as you spend days out at colourful markets and listening to the soft sounds of a steel pan band.

Then, on board, enjoy balmy evenings soaking up every minute of the Caribbean. Whether it's on deck with a cold cocktail, or simply gazing at the view from your own balcony – with room service on its way – which of the day's adventures will fill your thoughts?

Northern Europe and British Isles, by Cunard

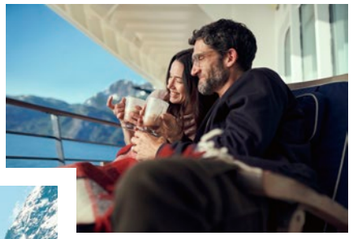

Fascinating contrasts and pristine scenery are just two of the ingredients that make a voyage to Europe's northernmost nations magical.

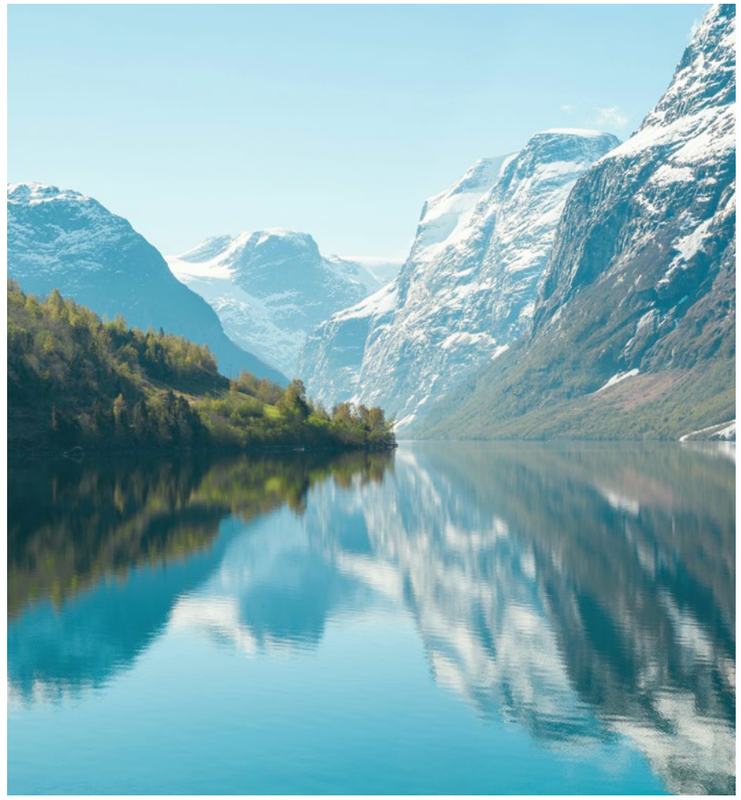

In Norway, a place where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures. Or perhaps your sights are set on Iceland, where natural wonders like cascading waterfalls, gushing geysers, and the turquoise waters of the Blue Lagoon await.

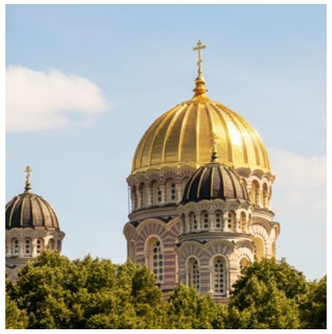

You could explore fairytale-like architecture in cities such as Copenhagen, Stockholm, and Tallinn with its UNESCO-inscribed Old Town – perhaps finding time for the odd pastry as you do. British Isles voyages take in the Highlands of Scotland and emerald shores of Ireland, as well as Cunard's spiritual home of Liverpool.

Discover these storied stretches of land and sea for yourself and, as you sail, revel in everything that comes with life on a Cunard Queen. From the cuisine of Michelin-starred chefs and White Star Service to a Mareel spa staffed with highly trained wellness experts, each day brings the potential for something extraordinary.

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Rich artistry in Spain. Bustling souks in Morocco. Pastel palaces in Portugal. Our Atlantic Coast voyages are a treat for all the senses.

Find yourself taking photo after photo as you discover unspoilt beaches, UNESCO-listed treasures, and world-famous cuisine. From the azure coves of Southern Europe to the medieval alleyways of North Africa, remarkable sights await.

Explore volcanic landscapes and black-sand beaches in the Canary Islands. Immerse yourself in UNESCO-listed architecture and port cellars in Portugal. Discover Madeira's botanical gardens and spend New Year's Eve witnessing the famous firework display.

Morocco brings towering minarets in Casablanca and whitewashed medinas in Tangier, while Agadir offers a gateway to Marrakech with its fragrant spice stalls and maze-like alleys. Just off the coast of Africa, the Cape Verde island of Saint Vincent seduces with its white-sand beaches and lively cafés, where music drifts out of every door.

Flamenco shows and smoky tapas. Grand mosques and stately squares. Soak up the history of this storied region, with plenty of on board relaxation and amber sunsets to bask in on deck.

Mediterranean, by Cunard

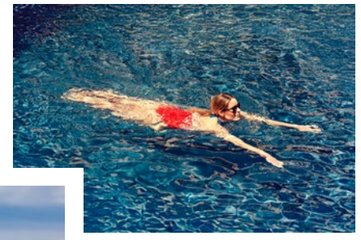

Lively tapas bars in Barcelona. Colourful bazaars in Istanbul. A Mediterranean voyage unlocks the door to so many memorable experiences.

Home to some of the world's oldest cities, the Mediterranean is a fascinating region to explore. A blend of cobbled paths and azure waters, where life moves at a different pace and humble ingredients steal the show of every dish. Join one of our Mediterranean sailings from Southampton or fly to your first destination and spend some time exploring.

Discover Kotor, Montenegro's historic capital, where winding streets and Romanesque churches seem to fan out in every direction. Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Valletta's Barrakka Gardens gives way to the noon canon firing in Malta. And Greece's magical islands never fail to enchant with their winding clifftop walks and flower-adorned buildings.

See more of each destination with a Shore Experience. Explore local food. Wine. Pottery. Feel the pulse of the place, as hand-picked guides unravel its secrets.

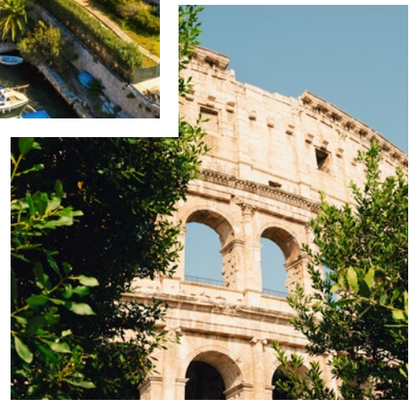

Kotor, Montenegro

Short Breaks, by Cunard

A short voyage brings you a glimpse of the unique cities of Europe, all while enjoying a taste of our iconic ships.

From Zeebrugge, you could spend an afternoon exploring medieval Bruges, perhaps sampling local chocolate on a Shore Experience. Maybe you'll wander the museum-lined streets of vibrant Amsterdam and stroll past works by Rembrandt and Vermeer in the Rijksmuseum. In Rotterdam, marvel at bold post-modern architecture and shop for one-of-a-kind fashions in chic boutiques. Uncover centuries of seafaring history in Kiel, home to a fascinating maritime museum, and explore the neo-renaissance architecture of Hamburg's eye-catching Rathaus, before admiring seven centuries of art in the Kunsthalle museum.

Make your time on board your own, enjoying whatever it is you like to do on holiday. Maybe that's simply spending time with your nearest and dearest, perhaps getting reacquainted over a spirited game of cards? Or is it booking in for an ocean-inspired treatment at the spa? Topped off with our White Star Service, a short break with Cunard is set to be a getaway to remember.

Cruise Connections

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose how you want to travel. It couldn't be easier to connect with your cruise.

Coach transfers

Our coach services link UK regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They also make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your voyage is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book, please visit intercruises.com/cruiseconnect, call Intercruises on 0344 338 8690, or email cruiseconnect@intercruises.com and quote your booking reference number.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point, where you can unload your luggage before a parking representative takes your vehicle to a secure car park. After disembarking, your car will be located in the car park next to the terminal for collection.

Car park bookings can be made 72 hours after your voyage is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book please visit cruiseparking.co.uk or call Cruise & Passenger Services Ltd direct on 0345 071 3939 and quote your voyage booking reference number.

Whether you're sailing on one of our short cruises in Europe, joining an iconic Transatlantic Crossing, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You could choose to see more of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or if you've booked directly with Cunard please call us on 03453 550 300^.

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your voyage.

Whether you choose to book a hotel stay through us, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or before the balance due date for your holiday, at the latest.

Please note that should you decide to explore a destination independently before/after your flight – and we have provided your flights – you will need to make your own way to or from the ship on the day of embarkation/disembarkation.

World Voyages and Sectors

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300^.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation. In this case, hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a land tour or hotel stay through us, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your voyage.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your voyage finishes in Auckland, why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Vancouver before joining your ship in Seattle.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or, if you've booked directly with us please call us on 03453 550 300^.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

See 'Our fares' on page 47 for an indication of benefits.

Your Cunard holiday is subject to our Booking Conditions, which you can view by visiting cunard.com/booking-conditions

Please note that not all regional flights operate to New York on a daily basis, so indirect flights may be offered as an alternative | All flights are subject to availability | ^Local call charges apply

Fare types

Fares for all available voyages and suites/staterooms can be found on our website or via your travel agent. Fares are subject to increases or decreases at any time.

Our **Early Saver fare** is available on selected voyages and stateroom grades only. Early Saver fares combine a lower fare with some benefits. A 15% deposit is required to book, with the balance payable online 120 days before you sail.

Our **Late Saver fare** is the lowest possible fare. Guests are guaranteed superb savings in return for paying in full on booking and taking a pre-allocated stateroom. Cancelled bookings are subject to a 100% cancellation fee, and bookings cannot be amended without this fee being applied.

Our **Cunard Fare** includes the following benefits:

- Available on all voyages regardless of when you book.
- Choice of stateroom number (subject to availability).
- First priority for your choice of Early, Late, or Open Dining (in the Britannia Restaurant) and table size.
- 15% deposit.
- Flexibility to change your booking (subject to our booking conditions).
- Complimentary shuttle buses to and from your ship, from and to the nearest transport hub (where applicable and provided by Cunard).
- Plus a choice of one of the following benefits:

On board spending money

Available on voyages of seven nights or more. On board spending money varies by voyage duration and is based on the number of nights spent on board. It can be used for on board purchases such as in our shops, bars, and the spa. It is not transferable and cannot be redeemed for cash, used for medical charges, on board gaming (including in the casino), to make charity donations, to pay for international visas, or a future voyage. Flights do not qualify for on board spending money.

Car parking at Southampton

Car parking in a secure car park (one space per booking) is available on all Southampton roundtrip voyages of seven nights or more (with the exception of World Voyages and South America Discovery Voyages). Please let us know at the time of booking if you wish to use this service. You'll then need to contact Cruise & Passenger Services Ltd (the operator) directly on 0345 071 3939 or visit cruiseparking.co.uk to arrange your car parking, two days after booking, and **at least 35 days prior to your departure.**

Return coach transfers

Return coach transfers are available on all Southampton roundtrip voyages of seven nights or more (with the exception of World Voyages and South America Discovery Voyages). Please let us know at the time of booking if you wish to use this service. You'll then need to contact Intercruises (the operator) on 0344 338 8690 (calls cost 3.19p per minute plus your telephone company's network access charge) **no later than 35 days prior to departure.**

Coach transfers are available to all guests on the booking. For more information see page 146.

Third and fourth guests

Some staterooms have accommodation for a third or fourth person. Please visit cunard.com, call 03453 550 300ˆ, or contact your travel agent for these fares. You can refer to deck plans shown on pages:

Queen Mary 2** – 153–155
Queen Victoria** – 156–158
Queen Elizabeth** – 159–161
Queen Anne** – 162–164

**Although some Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the space available in the restaurants. Please call for availability.

Children

Cunard cannot accept any child under the age of six months as a guest. We are unable to accept infants of 12 months or younger on any Full World Voyage, Transatlantic Crossing, or other remote itineraries.

Children pay the applicable adult per person fare when travelling as the second guest, with one adult.

Infants aged between six months and two years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of six months and two years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.

Guests aged two to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.

Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 18 or over.

Single guests

Single staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement which is 200% of the per person fare, depending upon availability and/or stateroom grade. Please note that 'sole occupancy' is limited and subject to availability – and the percentage of the sole occupancy supplement may change without prior notification.

Stateroom changes

Occasionally, it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at our discretion. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate your stateroom number, you will be given a stateroom of the type you have booked, or in some instances, of a higher grade. However, your stateroom may be situated on a different deck to that initially stated, in order to guarantee you the correct grade. The fare you have been quoted will, however, remain unchanged.

Service charges

A service charge applies to salon and spa services and food and drink items outside of what's included in your fare or any packages you've booked. This is shared among the relevant crew. Naturally, you are free to reward any member of the crew over and above this amount, at your discretion. Please see cunard.com/service-charges for more details.

Travel information

Essential information

Please visit cunard.com/essential-information for the most up-to-date information, including vaccinations and visas.

Please note there are mandatory vaccination requirements in place for some itineraries on sale within this brochure. Failure to comply with these vaccination requirements could result in being denied boarding.

For current travel advice for the countries you are visiting, please refer to the Foreign & Commonwealth Development Office website: **www.gov.uk/foreign-travel-advice**.

The information in this section is for holders of British passports only and is correct at the time of print.

Anyone who does not hold a British citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Medications

Should you require regular medication, please ensure you travel with a sufficient amount to last the duration of your voyage, as well as a contingency supply in case of any delays to your travel.

Please keep any essential medications with you, or in your hand luggage, at all times. This is because checked baggage may be delayed or inaccessible during travel.

We do not permit guests to carry any items on board that may contain CBD or other cannabis products.

Passports

If you are a British citizen, a full passport is required for all voyages. All British passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have ample blank pages in your passport for entry and exit stamps. All British citizens over the age of 16 require a full 10-year British passport for all voyages. Children need their own passports. It is important that names and initials on the passport exactly match those on your boarding passes.

For voyages including EU (or Schengen area) ports, passports must be:

- Issued within the last 10 years prior to the voyage embarkation date. If you have flights booked prior to your voyage, the voyage embarkation date means the date of departure of your outgoing flight.
- Valid for at least three months past the voyage disembarkation date, (regardless of whether or not the passport has an extension period).

For up-to-date passport information please visit cunard.com/passports.

Please note that British Visitor Passports are no longer valid. British subject passport holder requirements may differ – please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the HM Passport Office on 0300 2220 000, or visit the website: www.gov.uk/government/organisations/hm-passport-office.

If you **do not hold a British citizen passport**, your passport, travel documentation, and visa requirements may be different. Depending on your nationality and UK immigration status, you may also need an Electronic Travel Authorisation (ETA) before travelling to the UK; please check the latest requirements at www.gov.uk/check-uk-visa. You should check with a visa service or the consulate of each country you will visit to verify you have the correct travel documentation.

Please note that it is your responsibility to ensure you have a valid passport and the appropriate visas for your journey.

Required hotel stays

We can arrange flights and transfers for you to join your ship when you purchase a Holiday Package Add On. Where the included flight timings necessitate a pre-/post-voyage overnight stay, we will include a hotel room at the international port of embarkation/disembarkation for the night before or after your voyage, as required.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel. If you decide to cancel, our cancellation terms will apply as per the voyage Booking Conditions, which you can view at cunard.com/booking-conditions. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing you the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages or land tours, on the same date as a required hotel stay, you will not be eligible for the hotel stay.

International flight arrangements

If you have booked a flight through us, this will be in economy class from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by voyage and date of booking, and supplementary charges will apply to other departure airports.

For details of how we can tailor your flights, please see page 147.

Baggage allowance

We request that no individual piece of luggage weighs more than 23kg to ensure safe handling by our crew. Should you also have a flight booked, baggage allowances vary by airline and destination, but are usually between 20-23kg per person. We strongly recommend confirming this with your airline.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airline baggage restrictions.

All flights - please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- Flights will not necessarily be direct. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but we will inform you of any changes.
- Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- Where applicable, we will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. For Québec, Québec or Montreal may be used.
- Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our On Board Needs Questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry a powered mobility or medical aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.
- Many airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- For long-haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the arrival time stated on your ticket. You will need to make your own transfer arrangements between the airport and the ship.

Transatlantic Crossings

- One-way Transatlantic Crossing voyages do not include flights, however we can book these at an additional cost. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures - please note:

- The regional flight supplement is in addition to any Cunard Fare.
- Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.
- Regional flights will not necessarily be direct.
- If a same-day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- Transfers between London airports are not included.

Carriage of dogs

Cunard can accommodate registered service and assistance dogs on board – as long as they have been specifically trained to assist a guest with a disability – subject to compliance with international travel regulations. All service and assistance dogs are carried free of charge. More information can be found on our website: cunard.com/en-gb/accessibility/assistance-dogs

Should you be travelling with a service and assistance dog, please notify us via the On Board Needs Questionnaire, available on My Cunard for you to complete before you sail.

Non-assistance dogs and non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. Visit cunard.com/kennels for more information on these facilities.

For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the following websites www.cdc.gov/importation/bringing-an-animal-into-the-us/index.html and www.gov.uk/bring-pet-to-great-britain for further details.

Personal details

We'll ask for the full name (Mr, Mrs, Miss, etc.) of each guest as it appears on their passport.

We'll also need to know each guest's date of birth, nationality, passport number, and passport expiry date.

If you are a Cunard World Club Member, please have your membership number to hand.

We'll need the full private postal address (including postcodes) of all guests travelling with your party, plus at least one contact number and email address.

We'll also ask for a name and a number to contact in the event of an emergency.

Dinner preferences

Guests dining in the Britannia Restaurant have a choice of Early Dining, Late Dining, or Open Dining, depending on fare type. When on board, please refer to the Daily Programme for dining times.

Britannia Club, Princess Grill, and Queens Grill restaurants are open from 6.30pm until 9.00pm. Guests staying in these accommodation grades are free to dine whenever they wish within these times.

All restaurants on board offer a choice of tables for two, four, six, or eight diners.

All restaurants are non-smoking. When you book, please advise us of your preferred table size, if you'd like Early, Late, or Open Dining, and whether you are travelling with another party. Please note you can change these preferences on your My Cunard account after the time of booking. While every effort will be made to meet your preferences, we cannot guarantee to do so.

Deposit

Once you're happy with your accommodation and fare, we'll give you a booking reference number. We will then ask you to pay a deposit of 15% per person. For bookings made within 120 days of departure we will ask you to pay the full fare amount.

For voyages of 75+ nights duration, an additional 15% deposit is required 180 days prior to sailing, with final balance due 120 days prior to sailing. This is on top of the 15% deposit taken at the time of booking.

After you book

We must receive the balance of your fare no later than 120 days before departure. If you are booking through a travel agent, they may request payment of the balance in advance of this date in order to ensure that your monies reach us by the balance due date. If the full amount is not received by Cunard by the due date, we reserve the right to end the contract between us and re-sell the accommodation held for you, which will also result in the forfeiture of your deposit.

We offer an auto charge payment option, where your final balance can be taken from the credit or debit card you used to pay your deposit, and this option can be set up for you during the booking process. If you have booked a flight and a cruise with us you are financially protected by the ATOL scheme. Our ATOL number is 6294. When you pay, you will be supplied with an ATOL Certificate. Please ask for it and check to ensure that everything you booked (flights, hotels, and other services) is listed on it. ATOL protection does not apply to all holiday and travel services listed on this website. All cruises without flights sold in the UK are protected by ABTA. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate, but all the parts of your trip are not listed on it, those parts will not be ATOL protected. Please see our booking conditions for further information, or for more information about financial protection and the ATOL Certificate go to: atol.org/about-atol/atol-certificates/

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

ABTA

We are a member of ABTA, (membership number V8764), which means you have the benefit of ABTA's assistance and Code of Conduct. You can use ABTA's approved Alternative Dispute Resolution (ADR) process if you have a complaint that is not resolved. For more information please see abta.com.

Cruise insurance

by Holiday Extras

Cunard has partnered with Holiday Extras to offer travel insurance designed to provide cover for activities both at sea and ashore.

Holiday Extras offers cruise-specific cover with Bronze, Silver and Gold options for a single cruise or multiple trips under an annual policy. Cover includes missed ports, unused excursions and cabin confinement, alongside emergency medical and cancellation cover. They also consider most pre-existing medical conditions.

What do you get with Holiday Extras Insurance?

Cancellation cover – Cover available for up to £50,000 per person.

Emergency medical cover – If you fall unexpectedly ill or need emergency medical help during your trip, this includes repatriation from the ship to the nearest hospital, or back to the UK if needed.

Missed-port – If your cruise ship is unable to stop at a scheduled port of call due to bad weather or timetable restrictions - our policy will pay you a set benefit for each missed port.

Unused excursions – Covers pre-paid excursions you can't use because you're confined to your cabin by the ship's medical officer due to injury or illness.

Cabin confinement – A benefit for each full 24-hour period if you're confined to your cabin by the ship's medical officer due to injury or illness.

Extra baggage and evening wear – Covers the loss, damage or theft of evening wear by covering the costs to repair or clean it. If needed, we'll also pay towards hiring a replacement outfit so you can still enjoy your formal nights on board.

Missed embarkation – Covers you if you've already departed from the UK and arrive too late to board your booked cruise at a departure port outside the UK.

For a quote, to purchase a policy or for help with any questions, call Holiday Extras' dedicated insurance specialists on **0333 038 9766** and quote **BH833**, or visit **www.holidayextras.com/travel-insurance/cunard**.

The above is a summary of the cruise policy benefits. Cover is only available for the insured events and circumstances set out in the policy and is subject to all applicable limits, exclusions, terms and conditions. Pre-existing medical conditions are subject to medical screening and acceptance. Please read the policy wording for full details.
